RE: INVITATION TO TENDER (MPTUT10798GX)

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for Supply and delivery of precipitator chains at Tutuka Power Station – Main Sores “as and when” required basis for a period of once off purchase order due to the following reason/s:

The technical requirement or scope has changed significantly to that of requiring more hopper and bucket elevators chain as well the additional master links that were not part of the original RFQ. The pressing production requirement has necessitated the pursuing of the urgent procurement process with chain manufactures, which has in turn proven to be a process that will yield a cost benefit for the organization as the cost price savings will be greater 25% in comparison with transaction to be cancelled.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
