amounting to R850 mill and Structures amounting to R50 mill. in addition to Electrical work amounting to R10 mill.		
Please could you confirm that the attached financial submission is correct. As the figures in the excel and tender document is incorrect, and the Project Details tab is open and does not speak to the other tabs.		An amended financial submission has been attached.
<p>In the TOR for contract N002-080-2020-1RF, there are three key persons.</p> <ul style="list-style-type: none"> • Project Leader • Design Specialist (Structural Engineer) • Design Specialist (Geometric Engineer) <p>The Financial Submission spreadsheet attached, that we received with the Addendum No. 2 looks like a master copy. It has all the team members, and it does not have the Addendum Stamp which is normally on the pricing schedule when it is issued as an addendum.</p>		An amended financial submission has been attached.
<p>We require clarity on the financials on the above-mentioned tender.</p> <p>Addendum 2 reflects cost of works as follows: Roadworks – R100 000 000.00 Structures – R 50 000 000.00</p> <p>The cost of works indicated in the tender document is as per the image below: Roadworks – R 850 000 000.00 Structures – R50 000 000.00 Electrical – R 10 000 000.00</p> <p>Please advise as to the way forward regarding this query.</p>		An amended financial submission has been attached.
The scope of works is as per the original and neither of the addendums changes the scope of works. I tested addendum 2, by adding 1000 hours to each of the three disciplines as per you input tabs. It does not pull through the Electrical onto the pricing or the summary sheet.		An amended financial submission has been attached.
