1 APPLICATION OF CPA

Eskom requires tenderers to submit offers that are in full accordance with the Project Sourcing CPA principles as contained below.

Eskom will afford Tenderers an opportunity to propose additional/alternate offers to the abovementioned. Additional Offers, which are optional, will only be considered if a fully compliant Main Offer is submitted and acceptable.

CPA conditions may apply if the contractual duration is to be longer than 12 months. If the contractual duration will be less than or equal to 12 months, a fixed and firm priced offer must be submitted.

CPA will kick in after sixteen (16) months from the base date unless a fixed and firm price offer is submitted.

The following principles apply to CPA:

- In-house indices provided by the supplier are not acceptable.
- Exchange rate adjustments cannot be part of any CPA formula.
- Foreign indices must be applied only for imported items.
- Local indices must be applied for local cost drivers.

2 TENDER SUBMISSIONS

Tenderers shall comply with the following requirements:

2.1 Main offer:

1. A Main Offer that is fully compliant with the CPA requirements as specified in the Enquiry.
2. This condition is mandatory unless a fully fixed priced offer is submitted. If more than one offer is submitted, then the fully CPA compliant offer must be indicated as the Main Offer.
