Stage 4 Functionality Evaluation Criteria

Functionality is the terminology used to define the technical ability of the Tenderer, based on experience to deliver the required product in accordance with the specialised quality, reliability, and functionality.

The functionality evaluation will be conducted by the Evaluation Committee which comprises of various skilled and experienced members from diverse professional disciplines. The evaluation process will be based on functionality criteria. The criteria will be as follows:

Functionality Criteria

Functionality is the terminology used to define the technical ability of the Tenderer, based on experience, to deliver the required product in accordance with the specified quality, reliability and functionality.

Points allocated for Functionality shall be evaluated in accordance with the criteria as listed below. Total Quality points allocated shall be 100. Tenderer must score minimum score per each sub-criterion (as per table 2 of T1.2 below) and an overall minimum threshold of **70 points** out of 100 is required to be achieved for the tender to be eligible for further evaluation on Price and B-BBEE (80/20 split).

The GGDA has the discretionary right to award the tender in whole or in part.

Stage 5 Price and Preference points

For bidders that met the minimum required functionality score of 70 points

This is the final stage of the evaluation process and will be based on the PPPFA preference point system. Bidders will be ranked by applying the preferential point scoring 80/20 for bids with the rand value less R50 million (preference points as per SBD6.1)

Stage 6 Objective Criteria

In line with the PPPFA, the tender must be awarded to the bidder who scores the highest points, unless objective criteria in addition to those contemplated in the specific goals (Preference) justify the award to another bidder or GGDA splits the award or cancels the bid, or commercial risks *etcetera*. After price and Preference evaluation, the Bids must be checked to determine compliance with prescribed objective criteria. Objective criteria that will be used in the evaluation of this Bid must be disclosed in the published Bid document and evaluated, failing which GGDA will be bound to award the Bid to the highest points earner on Price and Preference.
