### Scope of Work

Provision for disconnection and reconnections of electricity supplies in Port Elizabeth and East London areas within the Eastern Cape Operating Unit (ECOU). Classifications of distances travelled between service points: Rural High (RH) longer distances between service points, Rural (R) average distances between service points and Urban (U) concentrated areas. The contractor will visit a meter installation and perform a disconnection/reconnection activity at ground level as per Eskom instruction.

Prepared by:

P Dyasi

A more elaborate scope will be made available to interested parties on request.
