1. The greater of **R8 million** or four contracts/ projects in the current financial year or
2. The greater of **R12 million** or six contracts/projects over two financial years (current year and previous financial year).

2. The greater of **R20 million** or nine contracts/projects over two financial years (current year and previous financial year)

JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.

Over and above the number of projects and values, bidders will be further evaluated on commercial risks which will include but not limited to the following: poor performance on previous projects, available resources for the project, unduly high or unduly low tendered rates, significant arithmetical errors and omissions in the tender offer.

The above may impact the outcome of the evaluation
