## TERMS OF REFERENCE

# **REQUEST FOR EXPRESSIONS OF INTEREST FOR LEASING OF CLOSED AND UNUTILIZED SCHOOL BUILDINGS IN THE EASTERN CAPE PROVINCE.**

## **IMPORTANT NOTICE**

The Department of Public Works and Infrastructure (DPWI) hereby issues the following request calling for Expressions of Interest (“EOI”) for the purpose of leasing of closed and unutilized school buildings which are situated throughout the Province.

### **1. BACKGROUND**

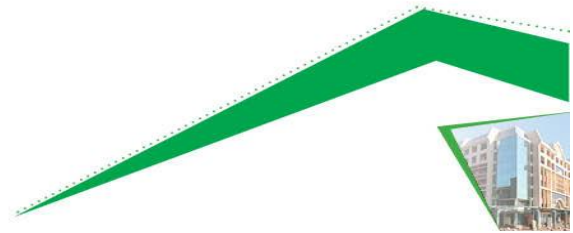

The Department of Public Works and Infrastructure (DPWI) as a Custodian of immovable assets of the Eastern Provincial Government, is responsible for ensuring the effective and efficient management of these assets, in order to meet the required levels of service delivery. This must be done in the most cost-effective way and in line with the provisions of the Government Immovable Asset Management Act, (GIAMA, Act 19 of 2007).

The closed and unutilized schools referred to above have been received from the Department of Education and are deemed closed as part of the Department of Education’s School Rationalization Programme, which involves the identification and assessment of schools that are categorized as unviable.

It is for this reason that the DPWI requests Expression of Interest for the purpose stated above. In its strategy for closed and unutilized school buildings, the DPWI has identified a number of potential uses to which these closed and unutilized school buildings could be put to. These include:

- conversion into residential space (this is a common fate for old and unutilised school buildings);
- construction of parking garages where possible;
- reconfiguration of old school buildings into housing for senior citizens, safety homes for the indigent and homeless;
- retrofitting unutilized school sites and vacant spaces into more contemporary uses such as offices, commercial or retail convenient centres (especially in the rural areas where transport and distance to town is usually a challenge);
- partnering with other government departments and municipalities to convert other unutilized school buildings into multipurpose centres, agricultural training and packing centres (especially in the rural areas), professional development centres, craft centres during certain times of the year, sports facilities, information centres, youth centres, skills training centres, health and fitness centres (IT/internet centres);

- conversion into satellite offices and community rooms which can be used for meetings for various purposes.
- leasing or selling of unutilized school buildings to other educational bodies, private schools, private companies, and other government agencies;
- retaining or mothballing some of the buildings for future use.
- leasing by entering into a short-term net leases.

The various categories of applicants who are eligible to submit applications include people with knowledge and experience in using property for various purposes such as leasing, property development and other community projects that would require the use of the closed and unutilized school buildings.

Applicants are requested to state the purpose for which they plan to utilize the subject closed and unutilized school buildings.

## **2. GENERAL RULES AND CONDITIONS**

This EOI does not constitute an offer, proposal or undertaking by the DPWI to lease out any of the closed and unutilized school buildings referred to in this EOI or to enter into any other form of transaction.

This EOI (which includes all other information, written or oral, made available during the EOI Process) is made available by the DPWI to prospective respondents on condition that it is used solely for the purpose of responding to this EOI.

This EOI is provided solely for the purpose set out in the EOI. Each Prospective Respondent to whom this EOI is made available must make their own independent assessment of the opportunity after making such investigation and taking such professional advice as they deem necessary. Neither the receipt of this EOI or any related document by any person, nor any information contained in the documents or distributed with them or previously or subsequently communicated to any Prospective Respondent or its advisors, is to be taken as constituting the giving of any advice (investment, legal or otherwise) by the DPWI.

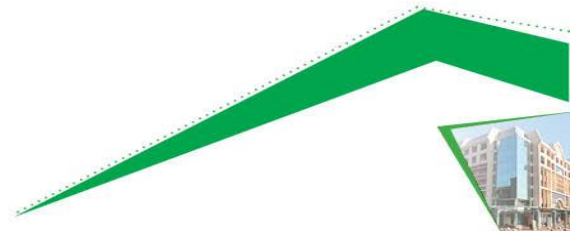

While the DPWI has taken reasonable care to present correct information in this EOI, errors and omissions may occur. The DPWI and any of its officials will not accept any liability or responsibility for the adequacy, accuracy or completeness of any of the information or opinions stated in this EOI or any other document issued by the DPWI, regardless of use and regardless of any losses that the intended or unintended recipients of this EOI may incur.

No guarantees, representations or warranties, whether express or implied, are made by DPWI or any of their employees with respect to the information or opinions contained in any document. The Prospective Respondent expressly waives any claim(s) it has or may have in respect of such guarantees, representations or warranties, howsoever arising.

The DPWI reserves the right to suspend, modify or withdraw this EOI at any time without prior notice and without liability to compensate or reimburse any person.

The DPWI is not obliged to perform any action or take any further steps upon conclusion of the EOI Process.

All responses to this EOI are compiled and submitted at the Prospective Respondent's

sole risk and cost and the DPWI is not liable to compensate any person for any costs or losses incurred in connection therewith.

By its participation in the EOI Process, the Prospective Respondent is deemed to acknowledge and consent to the terms and conditions of this EOI, including the contents of this Important Notice.

The list of closed schools attached as **Annexure C** is batched according to the Regions in the Province where these properties are situated.

### **3. PURPOSE OF THE EOI**

The DPWI hereby invites applicants to submit written representations (“EOI Responses”) expressing their interest in any one of these properties as listed in **Annexure C**.

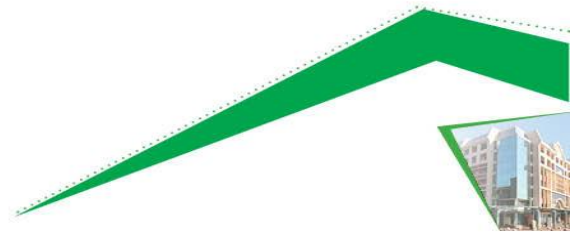

The DPWI issues this EOI in accordance with the provisions of its approved Revenue Management Strategy. This strategy broadly guides the DPWI to continuously identify, review its immovable property portfolio on a regular basis, and to identify superfluous and/or under-utilized properties that might be available for investment through leasing and other uses using private capital. The process as outlined in the Revenue Management Strategy, sets out a framework to propose the potential uses for these properties, in this particular instance, the closed and unutilized school buildings.

The main objective of the DPWI’s Revenue Management Strategy is:

- The need to address the triple challenges of unemployment, poverty and inequality through infrastructure development;
- Generation of revenue for the provincial government using its immovable property portfolio;
- Revitalization of small towns in the province through infrastructural development.

The invitation for proposals on finalization of this EOI will be advertised in batches of the closed and unutilized school buildings received from the Department of Education. The phasing will be set in accordance with the availability of relevant resources in the DPWI. The DPWI requests that the Expression of includes amongst other things:

- Confirmation of the inspection of the property and description of its current condition
- Description of the purpose for which the property is needed and will be used for;
- The extent of the space (e.g. number of rooms) needed for leasing;
- Proposed lease period
- Concurrence from the relevant local authority on the proposed use of the property required for lease (if applicable).

Please note that the DPWI will decide, after concluding the EOI Process, to proceed with the procurement process, and that such process will only formally commence with the requests specified by the Supply Chain Management Section of the Department in compliance with its processes of handling Expressions of Interest and other proposals.

delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

**24. Termination For Default**

**24.1** The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the provider, may terminate this contract in whole or in part:

- (b) if the provider fails to perform any other obligation(s) under the contract; or
- (c) if the provider, in the judgement of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

**24.2** In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the provider shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the provider shall continue performance of the contract to the extent not terminated.

**25.1** When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the provider to the purchaser or the purchaser may deduct such amounts from moneys (if any) which may otherwise be due to the provider in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

**26.2** If a force majeure situation arises, the provider shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the provider shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

**27. Termination For Insolvency**

**27.1** The purchaser may at any time terminate the contract by giving written notice to the provider if the provider becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the provider, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser,

**28. Settlement Of Disputes**

- 28.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the provider in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
