PART C: TENDER EVALUATION PROCESS- SAT TENDER 245/24 - DOMESTIC SURVEY

Table 1: Evaluation Summary of the Evaluation Phases (table below):

Phase 1 Administrative and Mandatory bid evaluation	Phase 2 Desktop Technical Functional Evaluation	Phase 3 Price and Preference (Specific Goal) Evaluation
Service providers' responses will be evaluated based on compliance with the listed administrative requirements.	Service provider (s) are required to achieve a minimum threshold of 70% to proceed to Phase 3. The Tender/Evaluation Matrix Cross Reference: Service providers should reference the criteria to the portfolio of evidence in the bid proposal.	Service provider(s) who achieved a minimum threshold of 70% on phase 2 will be evaluated on the 80/20 or 90/10 preference points system. Once a tender is received, the lowest acceptable tender will be used to determine the preference point system to be used for the evaluation. Where the lowest acceptable tender is below R50 million, the 80/20 preference point system must be used and If the lowest acceptable tender is above R50 million, the 90/10 preference point system must be used. The final award will be subjected to the below objective criteria over and above the price and Specific Goal highest scoring points.

Phase 1: Administrative and Mandatory bid evaluation

All documents must be completed, each page initialized and signed by the duly authorized representative of the prospective service provider (s). During this phase, service providers' responses will be evaluated based on compliance with the listed administrative and mandatory bid evaluation.

Total points	100

- Bids proposals will be evaluated strictly according to the bid evaluation criteria stipulated in this section.

- Service providers must, as part of their bid documents, submit supportive documentation for all functional requirements as indicated in the Terms of Reference. The panel responsible for scoring the respective bids will evaluate and score all bids based on information presented in the bid proposals in line with the RFP.
- The score for functionality will be calculated in terms of the table below where each Bid Evaluation Committee (BEC) member will rate each individual criterion on the bid evaluation score sheet using the following value scale/matrix:

Table 4: Technical Functional Evaluation Matrix

Rating	Definition	Score
Excellent	Exceeds the requirement. Exceptional demonstration by the supplier of the relevant ability, understanding, experience, skills, resources, and quality measures required to provide the goods/services. Response identifies factors that will offer potential value, with supporting evidence.	3
Acceptable	Satisfies the requirement with minor additional benefits , above average demonstration by the supplier of the relevant ability, understanding, experience, skills, resources, and quality measures required to provide the goods/services. Response identifies factors that will offer potential required services, with supporting evidence.	2
Average	Submission meets the minimum requirement with major reservations . Considerable reservations of the supplier's relevant ability, understanding, experience, skills, resource, and quality measures required to provide the goods/services, with little or no supporting evidence.	1
Unacceptable	Does not meet the requirement . Does not comply and/or insufficient information provided to demonstrate that the supplier has the ability, understanding, experience, skills, resources & quality measures required to provide the goods/services, with little or no supporting evidence.	0

Phase 3: Price and Preference (specific goals) Evaluation (80/20) = 100 points

Only Bidders who meet the minimum 70% threshold of functionality in Phase 2 will be evaluated in Phase 3 for price and preference (Specific goals).

The total points for price evaluation (out of 80) and the total points for specific goals evaluation (out of 20) will be consolidated. The bidder who scores the highest points for comparative pricing and specific goals after the consolidation of points will normally be considered the preferred bidder with whom South African Tourism will enter into further negotiations for the contract.

Objective Criteria

- (i) In cases where SA Tourism had/has current/historic non-performances with a provider, SAT reserves the right not to appoint the specific provider and move to the next highest scoring bidder.
- (ii) Should the recommended bidder and SA Tourism not agree on the SLA regarding service performance, the penalty may be implemented as a mitigating factor to address the non-performance issues; SAT reserves the right to cancel/terminate the contract and move to the next acceptable bidder.
