Eg. Fox, Hare, Dinosaur</p> <p><u>Category: Electrical Tools</u></p> <p><u>SAP No. 0723911;</u> Kindly provide us with the description.</p> <p><u>SAP No. 0723809 & 0723910; Line Control Earths Red; Working Earths Yellow</u> Kindly specify the size of cable leads and the kA.</p> <p><u>SAP No. 0723821 & 0723822; Substation Operating Stick</u> Kindly provide us with the size of the link stick and the full specification.</p>	Please note that all descriptions are contained in <i>Limlanga_Tool List Updated_25032024</i>	28 March 2024

SAP No. 0723915 & 0723923; Cordless Drill (Battery Operated)

Kindly provide us with the Wattage of the drill.

SAP No. 0723925; Phasing Stick

Kindly provide us with the full specification.

SAP No. 0723829; Battery operated wood pole drill with chargers

Kindly provide us with the Wattage and any additional specifications.

SAP No. 0723830; Battery operated angle grinder with charger

Kindly provide us with the Wattage and any additional specifications.

Category: Test Equipment

SAP. No 0723831 Variac 10 AMP

Kindly provide us with the full specification.

SAP. No 0723927; Multifunction Tester (Compliance Tester)

Kindly provide us with the full specification.

SAP. No 0723836 to 0723845-

Kindly provide us with the full specifications on the items listed.

SAP No. 0723965; Portable Earth Leakage Tester

Kindly provide us with the full specification.

Secondary Recloser test set;

Battery Density meter;

Three Phase Secondary injection relay tester;

Battery discharge machine;

Three Phase secondary injection relay tester

Kindly provide us with the full specifications.

SAP. No 0723967; VT Testing (Analyzer)

Kindly provide us with the full specifications.

SAP. No 0723969-0723972; Test Units; Multi-Functional Tester

Kindly provide us with the full specifications.

SAP. No 0723849; Test Handle (Test Block)

	<p>Kindly provide us with the full specification</p> <p><u>SAP. No 0723966; Test Leads</u> Kindly specify the type of test leads, the length and for which unit it needs to be compatible with.</p> <p><u>SAP No. -; DC Technician Toolbox (1000 Volt) Insulated tools.</u> Kindly confirm the list of tools to be included in the toolbox.</p> <p><u>SAP No. - Multi-functional tester</u> Kindly provide us with additional information.</p>		
4.	<p>We need more information and clarification on the following please.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  9-GR80 ILULA CHAINSLING.pdf </div> <div style="text-align: center;">  45-VITALIFT DEE & BOW SHACKLES.pdf </div> </div> <p>Under mechanical :</p> <ol style="list-style-type: none"> 1. Webbing sling (2 side folded eye) 3T-800mm.....is this a flat sling or an endless round sling, and this is not a standard size.....is it not the same as 2 lines above webbing sling 3T-1M 2. Webbing sling (2 side folded eye) 500mm,1200mm,1500mm.....is this a flat sling or an endless round sling and what is the ton rating. 3. Hand toolbox.....is this the PTO/STO toolboxin both toolbox the pliers, long nose and side cutter is Non-insulated, don't you need insulated tools. And the screw driver set mentioned can it be replaced with another make with same Specification. 4. Hand toolbox.....is this the TO toolbox.....in the list of items there is a leather tool bag, can this be replaced with canvas bag. 5. D-Shackles 1.5T (Inside width at pin 68mm-19mm pin)..... please find attached catalogue. The length is 68mm and width is 32mm.....do you agree 6. D-Shackles 3T (Inside width at pin 80mm-24mm pin)..... please find attached catalogue. The length is 80mm and width is 44mm.....do you agree 7. Snatch pully..... we need more information Ton rating, single or double roller and the width of roller/size conductor 	<p>Malusi Mathonsi</p> <p>Under mechanical :</p> <ol style="list-style-type: none"> 1. Its acceptable, submit what you have. 2. Flat sling 3T 3. Hand toolbox.....is this the PTO/STO toolbox Insulated will be appreciated and yes you can use any make. 4. Lets stick to the leather bag. 5. It is acceptable 6. It is acceptable 7. Please check on Limlanga_Tool List Updated_25032024 8. It is not, Please check on Limlanga_Tool List Updated_25032024 9. It is not, Please check on Limlanga_Tool List Updated_25032024 10. Please see the attached technical schedule 11. Please see the attached technical schedule 	08 April 2024

	<p>to be used</p> <p>8. Rached 0.75Ton.....is this not a duplication of Lever hoist 0.75T.....if not please provide more information</p> <p>9. Rached 1Ton.....is this a lever hoist.....please provide more information</p> <p>10. Chaser punch.....no A&B schedule, need more information on specification please.</p> <p>11. Torgue wrench.....no A&B schedule, need more information on specification please.</p> <p>4.2) Then in clarification meeting you mentioned that test certificates are only needed for electrical equipment.....do we only need to state on Schedule A&B state that the test done conforms to a certain standard. I Did reload the Tender on Eskom Tender website all the schedules was still not there</p> <p>4.3) The Invitation state that every item needs to have technical drawing, will you accept a catalogue page as per attachments for equipment. And you also state a operators manual.....is this needed on all tools.</p> <p>With regards to e-Tendering will these prices be per item or per category</p>	<p>4.2) All other tools must conform to SABS/ EN/ BS/ISO or any other international body and it must be attached.</p> <p>4.3) The proof of SABS/ EN/ BS/ISO or any other international body will suffice for that requirement because in most cases, you will attach the manuals that shows this requirement.</p> <p>Prices will be per item.</p>
