

Quantity Surveying Services

Pricing Instruction

1. Pricing must be as per the latest edition of Guidelines for Tariff of fees in the South African Council for the Quantity Surveying Profession Act, 2000 (Act No. 49 of 2000).
2. The fee proposal must be a percentage fee based on the estimated total construction value of R263 500 000,00 (Excl. Vat). Consultant Fees will only be adjusted where the final cost of the works varies by more than 15% from the value on which the fee was determined at tender stage (Consultant appointment tender stage). The adjustment of the fees will take place at the following intervals:
 - a. Upon receipt of the Investment Decision with the Approval of the FIDPM Stage 3 Report.
 - b. In the event of termination of the contact.
 - c. Upon the appointment of the contractor/s and deviation of the construction value.
3. Disbursements will be included as a percentage of the total fee payable as guided by your fee scales and shall be payable at regular intervals during the life of the project. Bidders must include in their disbursement a once off amount of R10 000 to fund the Airport Access Permits and related Training per person allocated to work full time on this project. No mark-up to be levied on Permit costs. The payment of disbursements will not include costs for travel. Any and all other costs will be paid strictly on a proven cost basis.
4. A discount of fees shall be indicated in the costing and shall be applicable at the discretion of the bidder (not compulsory).
5. Approved Tenderers pricing regime (i.e. % of fees, disbursement, discount, etc.) at tender stage shall be applicable throughout the life of the project
6. The accepted form of offer will be for the duration of all 6 Stages, however the ***Initial appointment is for stage 1- 3** with full appointment for stage 4 - 6 applicable after project feasibility is determined and approved by ACSA internal governance.
7. Instruction to proceed with subsequent stages in terms of this contract and the associated scope of work will be confirmed in writing by the Employer on a stage-by-stage basis. Note that the Employer is under no obligation to continue with any other stages of the project beyond Stage 3. Should the bidder not be granted approval to commence with the next stage 4, this will not be seen as a cancellation, termination or abandonment of the project that will trigger termination fees or any additional payments apart from those for services rendered up to the previous completed stage.
8. Payment of fees shall be done as per percentage apportionment of fees at completion of each stage as set out in the relevant professional body's fee scale guidelines. All fees claims shall be submitted to the appointed project quantity surveyor for project costs' accounting purposes.

9. Period for payment of monthly fee claims will be in line with ACSA's payment cycle i.e. 30 days from receipt of correct invoice on a monthly basis by not later than the 25th of each month.
10. The consultant team is expecting to conduct any and all aspects of work to assist ACSA in the decision-making process for the consideration of use of contingency. These activities are considered to be a part of the design development and associated standard fees. The use of contingency and the amendment of fees will only be adjusted (i.e. added to the construction value for free determination) at the successful receipt of the investment decision in parallel with the FIDPM Stage 3 Approval.
