

CD 64/2023 - Category E Items Questionnaire (returnable document)

Category: E. Panel van and Minibus

No	Item Description
1	Panel Van, 2 seater, up to 1400cm ³ , Payload 500kg (Petrol)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
2	Panel Van, 2 seater, 1500cm ³ to 1600cm ³ , Payload 500kg (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
3	Panel Van, 2 seater, 1700cm ³ to 2000cm ³ , Load Volume LESS than 5000cm ³ , Payload 500kg- 1000kg (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
<p>Indicated where Spare wheel Carrier is fitted _____</p>	
<p>Indicate ground clearance mm _____</p>	
<p>If not standard: Price for front tow hitch: hook and pin _____</p>	
<p>If not standard: Price for rear tow hitch: hook and pin _____</p>	
<p>Indicate guarantee period _____</p>	
<p>If not standard: Price for operator's manual _____</p>	
<p>Price for CENTLEC branding _____</p>	
<p>Is the specification sheet completed and attached? _____</p>	

No	Item Description
4	Panel Van, 2 seater, 2000cm ³ to 2200cm ³ , Load Volume MORE than 5000cm ³ , Payload from 750kg STANDARD ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
5	Panel Van, 2 seater, 2000cm ³ to 2200cm ³ , Load Volume MORE than 5000cm ³ , Payload from 750kg, HIGH ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
6	Panel Van, 2 seater, 2200cm ³ to 2300cm ³ , Payload from 750kg STANDARD ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
7	Panel Van, 2 seater, 2200cm ³ to 2300cm ³ , Payload from 750kg HIGH ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
8	Panel Van, 2 seater, 2400cm ³ to 2500cm ³ , Payload from 1000kg STANDARD ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
9	Panel Van, 2 seater, 2400cm ³ to 2500cm ³ , Payload from 1000kg, HIGH ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
10	Panel Van, 2 seater, 2600cm ³ to 2700cm ³ , Payload from 1000kg, STANDARD ROOF (Petrol/Diesel).
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
11	Panel Van, 2 seater, 2600cm ³ to 2700cm ³ , Payload from 1000kg, HIGH ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
12	Panel Van, 2 seater, 2800cm ³ to 3000cm ³ , Payload from 1000kg, STANDARD ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
<p>Indicated where Spare wheel Carrier is fitted _____</p>	
<p>Indicate ground clearance mm _____</p>	
<p>If not standard: Price for front tow hitch: hook and pin _____</p>	
<p>If not standard: Price for rear tow hitch: hook and pin _____</p>	
<p>Indicate guarantee period _____</p>	
<p>If not standard: Price for operator's manual _____</p>	
<p>Price for CENTLEC branding _____</p>	
<p>Is the specification sheet completed and attached? _____</p>	

No	Item Description
13	Panel Van, 2 seater, 2800cm ³ to 3000cm ³ , Payload from 1000kg, HIGH ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
14	Panel Van, 2 seater, larger than 3000cm ³ , Payload from 1000kg, STANDARD ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
15	Panel Van, 2 seater, larger than 3000cm ³ , Payload from 1000kg, HIGH ROOF (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
16	Mini Bus, 8-11 seater, Piston displacement up to 2100cm ³ (Petro /Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
17	Mini Bus, 12-14 seater, Piston displacement up to 2100cm ³ (Petro /Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
18	Mini Bus, 15-16 seater, Piston displacement up to 2100cm ³ (Petro /Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
19	Mini Bus, 8-11 seater, Piston displacement 2200cm ³ to 2400cm ³ (Petrol /Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
20	Mini Bus, 12-14 seater, Piston displacement 2200cm ³ to 2400cm ³ (Petrol /Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
21	Mini Bus, 15-16 seater, Piston displacement 2200cm ³ to 2400cm ³ (Petrol /Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
22	Mini Bus, 8-11 seater, Piston displacement 2500cm ³ to 2600cm ³ (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
23	Mini Bus, 12-14 seater, Piston displacement 2500cm ³ to 2600cm ³ (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
24	Mini Bus, 15-16 seater, Piston displacement 2500cm ³ to 2600cm ³ (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
25	Mini Bus, 8-11 seater, Piston displacement 2700cm ³ to 3000cm ³ (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
26	Mini Bus, 12-14 seater, Piston displacement 2700cm ³ to 3000cm ³ (Petrol/Diesel).
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
27	Mini Bus, 15-16 seater, Piston displacement 2700cm ³ to 3000cm ³ (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
28	Mini Bus, 8-11 seater, Piston displacement larger than 3000cm ³ (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
29	Mini Bus, 12-14 seater, Piston displacement larger than 3000cm ³ (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____	

No	Item Description
30	Mini Bus, 15-16 seater, Piston displacement larger than 3000cm ³ (Petrol/Diesel)
QUESTIONNAIRE PER ITEM (COMPLETE IN FULL)	
Indicated where Spare wheel Carrier is fitted _____	
Indicate ground clearance mm _____	
If not standard: Price for front tow hitch: hook and pin _____	
If not standard: Price for rear tow hitch: hook and pin _____	
Indicate guarantee period _____	
If not standard: Price for operator's manual _____	
Price for CENTLEC branding _____	
Is the specification sheet completed and attached? _____
