1. INTRODUCTION

This document was constructed to highlight the need of supply and delivery of various Personal Protective Equipment (PPE) on an “as-and-when” required basis which will be used by employees who are doing maintenance and engineering works at Komati Power Station. The Station has been utilising the once off orders to procure the PPE and a need to establish a contract was identified to procure the PPE due to the prolonged lead time for the National Contract to be in place. In this document the list of PPE that are needed for the employees at Komati Power Station will be outlined.
