2. PRICING STRUCTURES

The Department is requesting bids in one of three formats dependant on various factors:

- a) A single exit price, to include all components required to complete a procedure.
- b) A pricelist of components for selected procedures.
- c) Price per item for selected items.

3. INTENT OF THE TENDER

- a) Most specifications are for a single exit price for a procedure to simplify billing and allow us to better compare products and prices.
- b) Single exit prices must include the use of the instrument set, reamers, guidewires, and drill bits etc to do the specified procedure.
- c) We recognise that some procedures are very individualized e.g. revision arthroplasty and for these we have requested a few common combinations as well as a pricelist of products.
- d) We also recognize that some implants require a varied array of components, e.g. complex external fixators, and we have again requested common combinations as well as a pricelist of

products.

- e) There are individual products, especially under screws/cables/anchors/cord, bone grafts and consumables where single item prices are more appropriate as these are often used as an adjunct to a procedure. Single price items must also include the use of the instrument set, reamers, guidewires, and drill bits or other where required, to do the procedure.
- f) Where possible, for single items we request that prices be grouped and standardised regardless of size, length, diameter etc. E.g. cannulated screws, external fixators bars etc.

4. LIABILITY REGARDS LOAN SETS / LOAN INSTRUMENTS

- a) Loan sets / instruments that are provided to perform a procedure is done so at no liability to the ECDoH or its facilities.
- b) The safekeeping and care of loan sets / instruments at an ECDoH facility is the responsibility of the bidder/supplier.

5. LIABILITY REGARDS STORING OF IMPLANTS PRIOR TO USE

- a. Any implants stored by the bidder/supplier at an ECDOH facility prior to use/implantation remains the responsibility of the bidder/supplier. This is done at the bidder/supplier's own risk with no liability inferred to the ECDoH and its facilities.
- b. This excludes items expressly purchased by the ECDOH/facility to keep as its own stock. E.g. K-wires / cement mixing systems / external fixator components / bone graft etc.
