SECTION E: TERMS OF REFERENCE

4. PROGRAMME BACKGROUND

The Expanded Public Works Programme (EPWP) was introduced in 2004 as one of the measures to reduce the negative impacts of high and persistent levels of unemployment. The programme aims to provide the unemployed with an opportunity to work and an avenue to contribute towards the development of communities and ultimately the country.

To achieve this the Department of Public Works and Infrastructure (DPWI) appointed the Independent Development Trust (IDT) as the implementing agent for EPWP Non-State Sector Non Profit Organisations (NPO) programme. The EPWP NSS NPO programme phase IV is a continuation of the EPWP phase I which commenced in 2004 aimed at enlisting unemployed people in meaningful work. The programme is currently in year one of Phase V. The programme is implemented through the establishment of partnerships with Non-Profit Organisations (NPOs).

The purpose of these terms of reference is to guide the NPOs in all the provinces of South Africa towards bidding for appointment to create work opportunities for the unemployed people as part of the EPWP Phase V Non- State Sector (NSS) NPO Programme Year 1 and Year 2 of Phase of V (2024/25 - 2025/26 financial years).

4.1 PROGRAMME OBJECTIVES

The main objective of the programme is:

“To provide the unemployed poor with meaningful work opportunities through the delivery of community assets and services, and actively build economic inclusion mechanisms that empower sustainable livelihood and contribute to the country’s development agenda”

4.2 NPO SERVICES	4.2.1	The NPO will be expected to perform the following services:
	4.2.2	Recruitment of participants.
	4.2.3	Contracting with participants. Fully signed copies of contracts must be submitted to the regional offices of the Independent Development Trust (IDT).
	4.2.4	Ensure participants submit ORIGINAL certified copies of Identity Documents and bank letters. Certified copies of

	participants' ID must not be older than 6 months while bank letters must not be older than 3 months (Not copies of certified copies).
	4.2.5 Collect specimen signatures for all participants using the Participants' Verification List template provided by the Independent Development Trust.
	4.2.6 Assign work to participants for the duration of their contract with NPOs.
	4.2.7 Administer the attendance register(s) for all the sites for which the NPO is responsible.
	4.2.8 Verify the attendance register(s) to ascertain correctness of the days worked, ensure all participants initialed and signed the attendance register. Submit correct attendance registers to the regional office of the IDT.
	4.2.9 Ensure the total amount that is calculated using the attendance register for the days worked by participants for a specific month tallies with the amount for wages on the invoice the NPO submits to the IDT for that specific month.
	4.2.10 Submit reports on IDT prescribed templates monthly as per agreed scheduled dates.
	4.2.11 Replace participants who resign from the programme. Submit fully signed contracts, certified ID copies and bank letters for replacement participants to the IDT regional office monthly.
	4.2.12 Submit the following within a week of the project start date: 4.2.12.1 The Participants' Verification List with the participants' specimen signatures; 4.2.12.2 Copies of the contracts of the participants; 4.2.12.3 Original certified ID copies of the participants; 4.2.12.4 Copies of the participants' bank letters.
	4.2.12.5 The sequence of the contracts certified ID copies and Bank Letters of the participants in 4.3.12.1 – 4.3.12.4 above must follow the sequence of the participants in the Participants Verification List in 4.3.12.1 above.
	4.2.13 Submit on monthly basis Participants Verification List, contracts, certified ID copies and Bank Letters of the

	participants who replaced those who resigned / terminated / deceased as part of the monthly report.
4.4 PAYMENT OF THE PARTICIPANTS	<p>4.4.1 Signed and objectively verifiable Project Implementation Plan. The Project Implementation Plan must show the work packages or activities the NPO set aside for implementation by EPWP participants. The NPO must also indicate the proposed number of work opportunities that will be assigned to each work package or activity.</p> <p>4.4.2 Creation of allocated work opportunities as per the Service Level Agreement (SLA);</p> <p>4.4.3 Appointment and supervision of participants by ensuring that contracts, valid certified ID copies, attendance registers and all relevant reporting templates provided for by the IDT are duly completed and submitted to the relevant Regional Office as per the schedule.</p> <p>4.4.4 Monthly reports as per the schedule.</p> <p>4.4.5 Valid, accurate and correct invoices submitted to the IDT for all the work which was completed in a particular month.</p> <p>4.4.6 Monthly UIF payment to the Department of Employment and Labour covering all participants who are contracted to the NPO.</p>
4.5 PAYMENT OF THE PARTICIPANTS	4.5.1 The NPOs must pay the wages of the participants through their bank accounts within three days of receiving the funds from the IDT.
4.6 DISHONESTY	4.6.1 Dishonesty in any form will not be tolerated. The NPOs that can be found to have been dishonest will be terminated with immediate effect.
4.7 HUMAN CAPITAL	4.7.1 The NPOs are required to provide a minimum of three people to manage the implementation of the programme namely the Manager, Administration Officer and the Financial Officer.
4.8 IMPLEMENTATION PLAN	4.8.1 The IDT supports the proposed projects of the NPOs through the EPWP NSS NPO Programme. It is therefore important to fully complete the Implementation Plan template attached on the bid document for each selected project activities that the NPO is implementing.

5. NPO PROPOSAL GUIDE

EPWP NON-STATE SECTOR NPO PROGRAMME RECOMMENDED FOCUS AREAS IN PHASE V

Phase V Areas of Focus – NPO Programme

27

5.1 CLEANING AND MAINTENANCE OF PUBLIC FACILITIES

Some Government Social Infrastructure and other public facilities such as government offices, schools, clinics, parks, sports fields, cemeteries and other facilities are found to be in a poor state of maintenance. The government-owned buildings are found to be in poor condition. The majority of the buildings are those that are used by the Department of Defense, Police, Health, Correctional Services, Department of Justice and other departments. Commonly, those buildings have maintenance plans but remain unfunded as such, this results in the dilapidation of the portfolio in the country.

Existing partnerships so far include the South African Police Services (SAPS) Western Cape, and the Department of Correctional Services (DCS) national. However, NPOs can identify any government building and conduct the necessary due diligence and preparation for placement into the programme.

Objectives of the public facility maintenance project

The IDT proposed the Programme of Preservation and Maintenance of Government and Public Facilities support entails applying the principles of EPWP to recruit and place beneficiaries in the programme to maintain government and public facilities. Key objectives of the programme:

- To create work opportunities through the cleaning and maintaining government and public buildings targeting mainly women and youths with different skill levels.
- To use government and public facilities (**schools, hospitals, government buildings etc.**) as catalysts for artisanal development in such areas as **landscaping, land management & preservation, electrical, plumbing, boiler makers, building, plastering, and painting.**

Tender Requirements:

NPOs are expected to fulfil the following requirements:

- Identification of suitable government and public facilities that require maintenance in consultation with the Local Municipality and or relevant institution.
- Provide details of the identified sites and the extent/size of the site(s) in hectares
- Obtain permission to work in the facility with the relevant department or institution.
- Define the nature of work that the NPO will be doing in the targeted facility(ies)
- Indicate the total number of targeted work opportunities to be created in the project/s.

NB: Among the success factors is the identification of sites and obtaining permission to implement.

NB: Government and public facilities where there are maintenance plans. In the absence of that, NPOs shall develop a high-level maintenance plan signed by the designated personnel in the targeted public office.

Name of the Department/ Municipality/ Facility	Project location (Province, municipalities and the ward)	Scope of work / activities/nature of work to be done	Number and extent of targeted site/buildings targeted (attach permission to use)	Total number of targeted work opportunities

5.2 CLEANING, BEAUTIFICATION OF PUBLIC AND OPEN SPACES

The project entails the identification of the public places that need bush clearing, beautification and landscaping among others.

The objective: is to create work opportunities through the cleaning and beautification of the public and open spaces through bush clearing and landscaping among others.

Tender Requirements:

The requirements for participation in the IDT Cleaning, Rehabilitation & Waste Recycling Programme shall cover the following:

- Identification of the public places that require cleaning and rehabilitation (Municipality, towns/townships and ward no)
- Obtain permission/partnership with the affected Municipalities and/or departments
- Describe the scope and the activities and the size of the area/s where the NPO will be working.
- Number of Work Opportunities to be created in the project.

NB: The ability to provide details of the identified site and the permission to work on, are the critical success factors.

Project Location (Province)	Metro / District / Municipalities and the ward	Scope of work / activities/nature of work to be done	The extent of targeted road in KMs (attach permission)	Total number of targeted work opportunities

5.3 ROAD MAINTENANCE - CLEANING OF STORMWATER CHANNELS, KERB CLEANING, PORTHOLES, GRASS CUTTING

The aim of this focus area to create work opportunities through contracting NPOs that will recruit participants to be involved in the maintenance of roads and fixing of potholes. Implementation of the Road Maintenance and fixing of potholes will require extra equipment and the NPO interested in the project will have to prove capacity and partnerships such as the municipality and the Department of Roads and Transport that is responsible for the service. NPOs are advised to select and bid for focus areas that they are competent to deliver utilizing their own resources: (IDT Funds are meant for participants stipends only)

Road maintenance project will include the cleaning of storm water channels, Kerb cleaning grass and weed cutting,

Tender Requirements:

The NPO shall have to fulfil the following requirements;

- NPO to identify the site(s) or roads in consultation with municipalities and relevant entities.
- Obtain permission from the Local Municipality.
- Describe the work, and activities of the scope of work that the NPO will be working.
- Provide details of the road to be worked and the extent in KMs.
- Prove of capacity to deliver the project (applies to patching of potholes).
- Indicate the number of participants to be recruited in the project.

NB: identified sites/roads and the permission to work in the area will be the determining success factor.

Project location (Province, municipalities and the ward)	Name and road number (Municipal/Regional /National road) and the extent	Scope of work / activities/nature of work to be done	The extent of targeted road in KMs (attach permission)	Prove capacity to deliver the project (applicable to potholes fixing only)	Total number of targeted work opportunities

5.4 WASTE MANAGEMENT PROJECTS – RECYCLING & WASTE PROCESSING

Littering and Illegal dumping contribute to serious land pollution, ocean pollution and air pollution thus resulting in some serious environmental consequences for humans and animals on land and water as the majority of litter finds itself in the seas.

The Objective of the Waste Management and Cleaning Programme

The main objective of the IDT proposed Environmental Cleaning Programme is to create work opportunities and a clean environment that seeks to contribute to a conducive environment for investments and economic development. The specific objectives of the programme shall include:

- To create work opportunities in the process of managing and processing waste.
- To contribute to maintaining clean towns, public areas and settlement areas in the country;
- To support the creation of enterprises in the recycling of materials and waste.

Scope of the proposed program/project requirements

The scope and requirements for the IDT Cleaning and Rehabilitation & Waste Recycling Programme shall cover the following:

- Identification of the hotspots which are public places that require cleaning and rehabilitation (towns, townships, informal settlements, beaches, harbours, illegal dumping, and cemeteries etc.
- Indicate the municipality and Ward number where the project is located.
- Obtain permission/partnership with the affected Municipalities and/or departments (Primary departments are the Department of Forestry, Fisheries and Environment (DFFE), Dept of Water and Sanitation (DWS)) for environment and water projects;
- Describe the scope and the activities (collection or sorting or recycling or all)
- Determine and indicate the number of the identified sites and the extent (in weight of waste and/or ha/km of targeted land).
- Number of Work Opportunities to be created in the project of cleaning and collection of waste materials in collaboration with the affected municipalities;

NB: The ability to provide details of the identified site and the permission to work on it remains a critical success factor.

Project location (Province, municipalities and the ward)	Name and nature of the targeted place where the project will be implemented (attach permission).	Scope of work / activities/nature of work to be done	Number and the extent of targeted sites/project	Total number of targeted work opportunities

5.5 ENERGY-RELATED PROJECTS

The programmes entail mobilizing NPOs to place participants to roll out activities that contribute towards reducing or countering the effects of energy crises in the country due to load-shedding.

Tender Requirements:

- a. Identify roads and intercessions where the NPO will be working
- b. Obtaining permission from the local Municipality to work on the identified roads a
- c. Define the scope or activities to be engaged in the project.
- d. Recruit and place in the programme the youth to work in the scholar patrol activities and traffic control (this will include recruiting qualifying homeless people and organising them to control traffic at the crossroads).
- e. To recruit participants and emerging enterprises in solar maintenance and installation projects.
- f. Indicate the number of targeted participants per site in the projects.
- g. Manage and report participants who will be attending training in electrical and energy training programmes.

NB: training on solar installation and maintenance

Project location (Province, municipalities and the ward)	Name/s of school/s and /road interceptions /sites to be worked (provide permission to work from the municipality)	Scope of work/activities /nature of work to be done	Total number of targeted work opportunities

5.6 ART AND CRAFT – SPECIFICALLY FOR PWDS

The project of Arts and Crafts targets mainly to create work opportunities for People with Disability and Enterprise development support. The NPO will recruit and report on the work opportunities created in the targeted Arts and Craft projects.

Tender Requirements:

- Provide details of the place where the project is located (province, municipality and ward)
- The NPO describes the nature of activities to be implemented in the project.
- Indicate the volume and quantities that are produced per day/ week/month.
- The market where products are sold (if applicable)
- Number of work opportunities to be created in the projects.

Project location (Province, municipalities and the ward)	Scope of work/activities /nature of work to be done	The volume of targeted products to be produced.	The NPO market for the products	Total number of targeted work opportunities

5.7 FOOD SECURITY AND FARMING SUPPORT PROGRAMME

The programme aims to recruit NPOs who will place participants in the communal farming projects (school gardens, land restitution farms, in government / public facilities etc. to support them and build their capacities to sustain their projects while participants gain experience and skills for their development. Over and above the land that NPOs can identify for the programme, IDT has a contract with DCS to recruit and place their beneficiaries in the EPWP NSS to work in the DCS farming projects in all provinces.

Tender Requirements:

- NPOs to identify suitable projects to be placed in the program. The NPO must prove that the owners of the project have the necessary implements since the programme can only provide labour through the NSS beneficiaries.
