Failure to submit and comply with the type test requirements specified in these documents will lead to immediate disqualification.</p> <p>The documentation evaluations are meant for establishing if all the key tender deliverables are met with regard to the cables offered. Failure to meet all the mandatory requirements will result to a score of 0 points achieved for the 80 points scoring weight allowed and immediate disqualification; thus, a tenderer can only obtain 0 points or 80 points, and nothing in between for level 1 mandatory gate-keeper requirements. Equation 1 shows how the technical evaluation score will be calculated.</p> <p>Technical evaluation score = 80 (level 1 mandatory gate-keeper requirements) + 20 (level 2 submission requirements) (eq.1)</p>
