RE: INVITATION TO TENDER: (MPTUT10789GX)

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for **Dredging of the Dams on an as and when required "Basis" at Tutuka Power Station for a period of 5 years** due to the following reason/s:

- No recommendation to awarding this inquiry to the lowest bidder can be made due to the high rates submitted by the suppliers in response to the tender: "Dredging of Dams on as and when required basis at Tutuka Power Station for a period of 5 years".
- Furthermore no quantities were included on the NEC price schedule when it went out for tender, the suppliers used their own quantities which they came up with based on what they saw on the tender clarification meeting to build their rates and not the Quantities stated on the Scope of works, which were supposed to be used as a guideline/example of the magnitude of work to be executed.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
