Dear Sir/Madam

RE: ENQUIRY NUMBER E2026NTCSAMWP - THE ESTABLISHMENT OF A PANEL OF CONTRACTORS FOR CIVIL WORKS FOR NTCSA PROJECTS DELIVERY

Tenderers are hereby being notified of a change in the Eligibility Criteria which stated as follows:

“Current suppliers that are on the OE Panel, Line Panel and Substation Panels will not be considered for this panel, this is done in order to reduce the potential conflict of interest that may arise from Concept to construction stage”.

The above Clause is now amended as follows:

Current suppliers that are on the OE Panel, Line Panel and Substation Panels will be considered for this panel, but during the execution of the panel, the conflict of interest that may arise from Concept to construction stage will be assessed and should a supplier be found to be conflicted, they will be disqualified for the work in question”.

Yours sincerely,

Stanley Tshakhuma
