Non-compliance or proposed alternatives to a specific requirement in the specification document must be clearly indicated. Bidders are required to complete and return the technical declaration letter for each category they are bidding for in the tender. Each completed declaration letter shall be supported by the Technical Data Sheet and/or any other relevant document that demonstrates compliance with the TRIM specifications.

The technical evaluation will consist of a single stage evaluation: The Technical Functionality Test. The minimum threshold to pass this stage/step is **75% per category**. Only bidders who meet or exceed this minimum threshold will progress to next stage of the evaluation process. The contract will be awarded per category, and bidders may choose to submit proposals for one or more categories.

It is the responsibility of the bidder to ensure that all submissions comply with the performance requirements specified in **Annexure A** in order to progress beyond the technical evaluation stage.

***The contract will be split and awarded by category to the successful bidder based on the results of Step 4—price and specific goals for each category (highest ranked)***

**Bidders can bid for any category or for all categories in the tender scope. Bidders must quote for all items in each category selected, failure to complete the price schedule per category selected in full will result in a bid being disqualified for that category.**

## 6.3 STEP THREE Evaluation and Final Weighted Scoring

- a) **Price Criteria** [Weighted score 80/90 points]:

<b>Evaluation Criteria</b>	<b>RFP Reference</b>
<ul style="list-style-type: none"> <li>Commercial offer</li> </ul>	<i>Section 4</i>

Transnet will utilise the following formula in its evaluation of Price:

$$PS = 80/90 \left( 1 - \frac{Pt - Pmin}{Pmin} \right)$$

Where:

- $Ps$  = Score for the Bid under consideration  
 $Pt$  = Price of Bid under consideration  
 $Pmin$  = Price of lowest acceptable Bid

b) **Specific Goals** [Weighted score 20/10 point]

- Specific goals preference points claim form
- Preference points will be awarded to a bidder for attaining the specific goals requirements in accordance with the table indicated in Section 4.1 of the specific goals Claim Form.

6.4 **SUMMARY: Applicable Thresholds and Final Evaluated Weightings**

Thresholds	Minimum Threshold
Technical	<b>75-Per category</b>

Evaluation Criteria	Final Weighted Scores
Price	80/90
Specific goals - Scorecard	20/10
<b>TOTAL SCORE:</b>	<b>100</b>

6.5 **STEP FOUR: Price Negotiations (if applicable)**

- Respondents are to note that Transnet may not award a contract if the price offered is not market-related. In this regard, Transnet reserves the right to engage in PTN with the view to achieving a market-related price or to cancel the tender. Negotiations will be done in a sequential manner i.e.:
  - first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail,
  - negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.
- In the event of any Respondent being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.
- Should Transnet conduct post tender negotiations, Respondents will be requested to provide their best and final offers to Transnet based on such negotiations. Where a market related price has been achieved through negotiation, the contract will be awarded to the successful Respondent(s).

6.6 **STEP FIVE: Objective Criteria**

- Transnet reserves the right to award the business to the highest scoring bidder/s unless objective criteria justify the award to another bidder. Transnet may apply the following objective criteria to the bid process:
- Transnet intends to restrict the number of categories awarded to any single bidder to a maximum of two. In cases where a bidder ranks highest in more than two categories, Transnet reserves the

right to award only two categories, with the third being allocated to the second-ranked bidder, provided they agree to reduce their price to narrow the gap with the first-ranked bidder by **3%**.

- Should the second-ranked bidder refuse to lower their price to narrow the gap, negotiations will be deemed unsuccessful, and they will be informed accordingly. The third-ranked bidder will subsequently be approached, with the same condition of reducing their price to within **3%** of the first-ranked bidder. If the negotiation with third-ranked bidders fails, objective criteria fall off, the business will then be awarded to the first-ranked bidder.
- In allocating categories to the highest-ranked bidder, the category of greatest value shall be awarded to that bidder.

**The preferred outcome for Transnet is to award the six categories to at least three different suppliers, each receiving a maximum of two categories, or alternatively to six suppliers, with each receiving one category.**

**6.7 STEP SIX: Award of business and conclusion of contract**

- Immediately after approval to award the contract has been received, the successful bidder(s) will be informed of the acceptance of his/their Bid by way of a Letter of Award. Thereafter the final contract will be concluded with the successful Respondent(s). where applicable.
- Alternatively, acceptance of a letter of award by the Successful Respondent. will constitute the final contract read together with their RFP response and the Standard Terms and Conditions. This will be stated in the letter of award.

**SECTION 4: PRICING AND DELIVERY SCHEDULE**

*Respondents are required to complete **ANNEXURE B: PRICING SCHEDULE***

*Respondents are to note that Transnet will round off final pricing scores to the nearest 2 (two) decimal places.*

**Notes to Pricing:**

- a) Respondents are to note that if the price offered by the highest scoring bidder is not market-related, Transnet may not award the contract to that Respondent. Transnet may-
  - (i) negotiate a market-related price with the Respondent scoring the highest points or cancel the RFP;
  - (ii) if that Respondent does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the second highest points or cancel the RFP;
  - (iii) if the Respondent scoring the second highest points does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the third highest points or cancel the RFP.

If a market-related price is not agreed with the Respondent scoring the third highest points, Transnet must cancel the RFP.
- b) Prices must be quoted in South African Rand inclusive of VAT.
- c) Any disbursement not specifically priced for will not be considered/accepted by Transnet.
- d) To facilitate like-for-like comparison bidders must submit pricing strictly in accordance with this pricing schedule and not utilise a different format. Deviation from this pricing schedule could result in a bid being declared non-responsive.
- e) Quantities given are estimates only. Any orders resulting from this RFP will be on an "as and when required" basis.
- f) Prices are to be quoted on a delivered basis to site.
- g) Please note that should you have offered a discounted price(s), Transnet will only consider such price discount(s) in the final evaluation stage if offered on an unconditional basis.
- h) Where a Respondent's price(s) includes imported goods/items, the rate of exchange to be used must be in South African Rands for purposes of determining whether the price is market related or not and must be the currency's rate published by the South African Reserve Bank on the date of the advertisement of the bid:  
Currency rate of exchange utilised: \_\_\_\_\_
- i) In respect of incoterms conditions, if applicable, please refer to paragraph 25 of the General Bid Conditions which is attached to the RFP as **Annexure H**
- j) Manufacturing and delivery lead time calculated from date of receipt of purchase order: \_\_\_\_\_ weeks.
- k) Respondents, if awarded the contract, are required to indicate that their prices quoted would be kept firm and fixed for the contract duration. [Not to be confused with bid validity period Section 2, clause 1]
