# St Augustine school denies misuse of funds amid parents' allegations

BY SILAS NDUVHENI

**A**llegations of maladministration, corruption, unfinished infrastructure projects and concerns over the continued tenure of the School Governing Body (SGB) at St Augustine Residential School in the Mutale area have surfaced in a letter of grievance sent to the media by concerned parents. One of the concerned

parents, Mr Thifhindulwi Phalannnda, said parents could no longer remain silent about issues affecting the private school. According to him, some infrastructure projects that started in 2018 have still not been completed.

"We can't just leave things as it is, we have to speak out," he said. Phalannnda said parents hoped the letter would help

address their concerns after attempts to engage the school management allegedly produced no results.

Responding to the allegations, school administrator Anish Babu said the institution operated within the legal framework governing independent schools and remained committed to effective governance, operational efficiency and academic excellence. "Like other independent

institutions, the school follows its own procedures for the selection of SGB members in line with the governance requirements applicable to independent schools," he said.

Babu said the school, which serves more than 2,800 learners, had experienced strong growth and academic success over the past 15 years. He highlighted the school's 100% matric pass rate in 2025 and

an 85% Bachelor pass rate as evidence of its commitment to quality education. "These achievements reflect the collective commitment of the SGB, management, staff, parents, and learners towards educational excellence," he said.

Babu also denied allegations that school funds had been used to build the principal's private residence.

"With regard to the allegation concerning the alleged use of school funds for the construction of the principal's private residence, we respectfully and categorically deny any misuse of school finances," he said.

He added that all payments for the residence were made personally by the principal and could be verified with suppliers.

## Young man who allegedly raped a 89-year-old, again appear in court

BY SILAS NDUVHENI

**T**he young man from Nyabani village outside Malamulele, accused of allegedly raping an 89-year-old woman, was back in court last week. The 29-year-old suspect's case was on 4 May postponed until 7 May to allow him to obtain legal representation.

The suspect's Legal Aid representative, however, failed to arrive at court, with the court again having to postpone the man's case until 19 May. He is to remain in custody until then.

Spokesperson for the National Prosecuting Authority (NPA) in Limpopo, Ms Mashudu Malabi-Dzhangi, said that although the suspect resides in the same village as the old woman, they are not related.

The alleged rape of the elderly woman is said to have occurred in the village during the early morning hours of 26 April.

"It is alleged that an 89-year-old woman was sleeping alone at her residence when an unknown person intruded into her home. The suspect reportedly entered her room, threatened her, and demanded money. When the victim indicated that she had no money, the suspect allegedly threatened to kill her and thereafter raped her," said Limpopo police spokesperson Brigadier Hulani Mashaba.

After the incident, said Mashaba, the suspect reportedly fell asleep inside the victim's house. She managed to escape and called for assistance from neighbours. A community member entered the house and found the suspect asleep. Police were summoned to the scene, and the suspect was arrested.

Overcoming ADDICTION can be very challenging, and having support during this time is very important. Support groups can help you:

- To feel less lonely
- Reduce depression and anxiety
- Create a safe space to talk about your feelings openly
- Develop skills to cope with challenges

A non-denominational support group is hosted on Monday evenings from 17:30 – 18:30 on the grounds of NG Kerk Stad-op-die-Berg at 92 Burger Street, Louis Trichardt, to provide a safe environment for people battling addiction.

<b>Total points for Price and SPECIFIC GOALS</b>	<b>100</b>

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc}
 80/20 & \text{or} & 90/10 \\
 P_s = 80 \left( 1 - \frac{P_t - P_{min}}{P_{min}} \right) & \text{or} & P_s = 90 \left( 1 - \frac{P_t - P_{min}}{P_{min}} \right)
 \end{array}$$

Where

- Ps = Points scored for price of tender under consideration
- Pt = Price of tender under consideration
- Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
- (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

**CERTIFICATE OF INDEPENDENT BID DETERMINATION**

- 1 This Municipal Bidding Document (MBD) must form part of all bids<sup>1</sup> invited.
  
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
  
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
  - a. take all reasonable steps to prevent such abuse;
  - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
  - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
  
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
  
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

**CERTIFICATE OF INDEPENDENT BID DETERMINATION**

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

\_\_\_\_\_

  - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium<sup>2</sup> will not be construed as collusive bidding.

  - (a) prices;
  - (b) geographical area where product or service will be rendered (market allocation)

  - (d) the intention or decision to submit or not to submit, a bid;
  - (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
  - (f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
