**ADDENDUM FOR THE AMENDMENT IN TECHNICAL FUNCTIONALITY**

**Provision of Management of Driver Camera for a period of 5 years (60 months) on as and when required. Tender number E0626LSERI**

- 1. The purpose of this addendum is to inform all tenders of the amendments made on Technical Functionality.**
  - The Technical Functionality document that was initially advertised had indicated that the supplier under **System Requirements** from **point 1 to point 8** must **submit OEM specification sheet on the company letter head** and it has been amended on the new Technical Functionality to the supplier must **submit specification sheet on the company's letter head**.
  - **The new technical functionality is attached**

Kind Regards,

Bella Mabunda
