This is required in order for the Fund to verify the tax status of a bidder as part of the tender proposal. The bidder must also ensure that all sub-contractors (if applicable) are tax compliant.

It must be noted that bidders must not only be compliant when submitting a proposal to the Unemployment Insurance Fund but must remain compliant for the entire contract term with all applicable tax legislation, including but not limited to the Income Tax Act, 1962 (Act No. 58 of 1962) and Value Added Tax Act, 1991 (Act No. 89 of 1991).

$P_s$  = Points scored for comparative price of bid under consideration

Pt = Comparative price of bid under consideration

Pmin = Comparative price of lowest acceptable bid

## **PART B – TECHNICAL SPECIFICATION AND SCOPE OF WORK**

### **1. BACKGROUND**

The Unemployment Insurance Fund (UIF/The Fund) is a public entity established in terms of Unemployment Insurance Act No. 63 of 2003, as amended.

The UIF Head Office is currently situated at Absa Towers Building, C/O Pretorius and Lilian Ngoyi Street, Pretoria. However, the UIF will be relocating to 94 Nkomo Building, situated at 94 Nkomo Street, Pretoria. The imminent relocation from Absa Towers Building to 94 Nkomo Building is awaiting completion of the redevelopment and tenant installation (Interior Fit-Out) projects that are at an advanced completion stage.

According to Section 8 (1) of the Occupational Health and Safety Act No. 85 of 1993, as amended, an organization is required to provide as far as reasonably practicable, a working environment that is safe, conducive and without risks to the health of its employees. This provision of the Act is expressed practically on Facilities Regulations No. 26636 of 2004, Regulation(s) 2(1)(3), 4(1)(2) and 9.

In compliance with the statutory prescripts highlighted above, the UIF is embarking on a procurement process to appoint a service provider in the Cleaning Industry to render Deep Cleaning and Hygiene Services at 94 WF Nkomo Building.

The Deep Cleaning and Hygiene Services is required for a period of 36 (thirty-six) months, which will be interimly rendered at Absa Towers Building, pending the finalization of the tenant installation (Interior Fit-out) construction programme at 94 WF Nkomo Building. The tenant installation (Interior Fir-Out) is provisionally scheduled to be completed by June 2026.

Therefore, the prospective bidders are required to compile their bids inclusive of pricing strictly in alignment with the building information applicable to the 94 WF Nkomo Building, and this is because a significant portion of the period of the contract will be executed at 94 Nkomo Building. The Absa Towers Building information will equally be provided in detail to enable the prospective bidders to have a foresight of the current immediate requirements of the Deep Cleaning and Hygiene Services scope that will be required in the interim at Absa Towers Building.

The UIF and the successful bidder will, upon the compilation of the Service Level Agreement (SLA) determine a framework for the pro-rata portion on monthly invoices for the scope of works or specification which applies to Absa Towers Building. As a framework, the pro-rata portion for the period of services rendered at Absa Towers Building will be derived from the variances of the Gross Leasable/Letable Area (GLA) of both buildings inclusive but not limited to the variances regarding the extent of the Ablution Facilities, number of cleaning personnel and equipment's required.

The cost of services and monthly rates for 94 WF Nkomo Building will be determined from the total tender price/quote which is going to be submitted with the bids, and therefore the prospective bidders are required to prepare and submit their bids in accordance with 94 WF Nkomo Building information.

## **1.2 SCOPE OF WORK**

The objective of this request for proposals is to appoint a service provider to render Deep Cleaning and Hygiene services to the Unemployment Insurance Fund for a period of thirty-six (36) months.

The successful bidder will be required to provide all Deep Cleaning and Hygiene Services materials and consumable items required for the Hygiene services to be rendered at the 94 WF Nkomo Building, and proportionately within the current temporary accommodation at Absa Towers Building. The successful bidder will be expected to train Hygiene services personnel on a quarterly basis and provide them with fresher courses. The services must be well managed and supervised

The appointed service provider will be required to supply and re-fill all Hygiene equipment's in the Ablution Facilities and the specific identified areas with the consumables, install and maintain hygiene equipment's, deep cleaning of the toilets as required, and in case where the dispenser unit is plastic, it should be white for easy monitoring and cleaning.

The Bidders responding to this tender must provide a contingency planning for services to be rendered demonstrating the planning for management of any service interruption covering the following key project deliverables, Replacement of faulty Hygiene Equipment, Replenishment of consumable on dispenser units, she-bins management, availability of Uniforms/PPE.

Bidders responding to this tender must base their quotations (inclusive of VAT) on all the items and frequencies of the Hygiene services required for the duration of the contract period as listed in the table of specification of services.

## **1.3 CONTRACT MANAGEMENT**

The Unemployment Insurance Fund is a customer centric institution, and its service offerings are deepened under the following value systems, Accountability, Service Excellence, Integrity, Transparency and Mutual respect. It is through the same governance principles that the Fund has developed a Supplier Performance Management system which requires that all service provider's performance be monitored and evaluated on a monthly and quarterly basis

The Supplier Performance Management system is regarded as a critical tool of ensuring value for money in the acquisition of goods and services from all prospective suppliers. It is therefore expected that the successful bidder will conform to the following requirements in the rendering of Hygiene Services to the Fund:

- a) The supplier will pay the employees' salaries on time, and within the gazetted rates as reviewed and announced by the Ministry of Employment and Labour from periodic basis.
