19. TENDER EVALUATION PROCESS

The 80/20 preference point system will be used for this bid, following the PFMA and relevant laws and regulations that govern bidding processes within Supply Chain Management. This bid will be evaluated as follows:

19.1. First Stage: Mandatory bid requirements/conditions

Bids or tender proposals will first be evaluated for responsiveness and adherence to the mandatory bid conditions as stipulated in **Paragraph 11** above. The absence of required documents or the inability to verify submitted documents will result in the bid/tender proposal being rejected, and disqualifying it from further evaluation.

19.2 Second Stage: Functionality

Bidders who comply with all mandatory requirements will then be evaluated and assessed on functionality in accordance with **Paragraph 18** above, where the bidder must obtain a minimum of **70 points out of 100** points. If a bidder fails to achieve at least **70 points out of 100** as the threshold for functionality, the bidder will be eliminated and will not be subjected for further evaluation on Price and Specific goals.

19.3 Third Stage: Price and Preference Points (Specific Goals)

All bidders who achieve a minimum threshold of **70 points** in functionality will be evaluated under the **80/20** preferential point system. A maximum of **80 points** will be allocated for Price, and **20 points** for Specific goals (**Annexure B, C & D – returnable schedules**) will be used to allocate points based on the information submitted by bidders.

NB: Bidders must fully complete and sign the pricing schedule (Annexure P)

20. MISREPRESENTATION DURING THE LIFE CYCLE OF THE CONTRACT

- 20.1. The bidder should note that the terms of its bid will be incorporated into the contract by reference and that the Department relies on the bidder's bid as a material representation when making an award to a successful bidder and in concluding a contract with the bidder.
- 20.2. It follows that misrepresentations in a bid will result in service termination and a claim by the Department against the bidder, regardless of the contract's conclusion between the Department and the bidder for the provision of the service in question. In the event of a conflict between the bidder's proposal and the contract established between the parties, the agreement shall prevail.

21. PREPARATION COST

The Bidder will bear all costs associated with preparing, submitting, and presenting any response to this bid, including other expenses incurred throughout the bidding process. Furthermore, no statement in this bid will be construed as placing the Department, its employees, or its agents under any obligation whatsoever, including any costs, expenses, or losses incurred by the bidder(s) in preparing their response to this bid.

22. FRONTING, COLLUSION, FRAUD, BRIBERY, AND CORRUPTION.

All bidders are required to conduct themselves honestly, and any attempts by the bidder(s) to influence evaluation or award decisions in any way will result in the rejection and disqualification of the bidder's proposal. The Department maintains a zero-tolerance policy towards corruption and will strive to promote a culture of accountability and transparency. Internal and external stakeholders are encouraged to use the hotline at 0800 701 701 to report concerns or fraudulent activities. However, whistleblowers are discouraged from making false allegations with malicious intent.

23. SECURITY SCREENING, OATH OF SECRECY, AND VETTING

All personnel, management, and directors of the appointed service provider responsible for the site will undergo security vetting and must sign a declaration of secrecy. The Department reserves the right to take action or terminate the contract should there be adverse findings or outcomes from the vetting process and SAPS clearance.

24. SUBMISSION OF BIDS

Original bid/tender proposals must be submitted in a sealed envelope or suitable cover, with the name and address of the bidder, the bid number, and the closing date and time visible and marked **“APPOINTMENT OF SERVICE PROVIDERS TO RENDER TRANSFER AND SHUTTLE SERVICES MANAGEMENT TO THE NATIONAL DEPARTMENT OF TOURISM FOR A PERIOD OF THREE (3) YEARS.”**
