Dear Adv Mofokeng,

PURPOSE

To formally request for an extension of tender closing date for the Procurement of Service Provider Who Will Assist The Municipality on The Repair And Refurbishment of Makwane Wastewater Treatment Works And 3 Associated Sewer Pump Stations For The Period Of Three (3) Years and for the Procurement of Service Provider Who Will Assist The Municipality on The Repair And Refurbishment of Tshiame Wastewater Treatment Plant For The Period Of Three (3) Years from the **18th of June 2026 to the 3rd of July 2026.**

I am writing to formally request an extension of the closing date for the above-referenced tenders, which are currently scheduled to close on 18 June 2026.

We have received a number of requests for an extension of these tenders from different service providers who are very interested in participating in this tender process and are currently in the advanced stages of preparing a comprehensive, high quality and fully detailed bid submission that will meet all project requirements.

The reasons stated for this request are as follows:

- The size and complexity of the documents.
- Challenges in securing accurate quotes from suppliers.
- Bill of Quantities (BOQs) uploaded late on eTenders.
- Revision of the Bill of Quantities (BOQ)

We would be highly grateful if you could consider this request and extend the closing date to **03 July 2026 at 10:00.**

Yours sincerely,

Mr T. Selepe
