

TENDER NUMBER: TNPA/2026/05/0931/5219/RFP
ADDENDUM NO: 01

DATED: 18 JUNE 2026

The following information is furnished in addition to, in amplification and substitution of, matters contained in the tender documents issued in respect of the abovementioned work.

1. Part T1.1: Tender Notice and Invitation to Tender

The tender closing time is extended from **26 June 2026 @ 16:00** to **10 July 2026 @ 16:00**.

2. PART C3: Scope of Works supporting annexures

Previously attached Annexure E: Specification for the supply, delivery, offloading, installation and commissioning of diesel-driven standby generator sets has been replaced by the attached as **Annexure A**.

NB: Tenderers are to note that the only change to this specification is the correction of the outdoor diesel generator voltage from **500kVA** to **200kVA**.

3. Functionality Criteria: T2.2-10 Method Statement

The evaluation schedule has been revised to include evaluation for electrical works and minor changes have been made to mechanical works on the method statement and has therefore been substituted by the attached **Annexure B** of the addendum

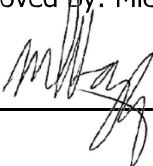

This addendum must be signed and submitted with your tender.
