Dear Sir / Madam

Description / Project Title	The pre-qualification of the various suppliers for Design, Manufacture, Testing, Supply, Delivery and Training of Estimated Quantities of 22kV to 132kV Isolators for Distribution on an "as and when" required basis within a period of sixty (60) months.
Request for Enquiry No	E1575DXMP
Area	Distribution Division

We refer to **ENQUIRY** in response to which you have submitted your tender. Kindly note that the tender validity was erroneously captured on the first page of the Invitation to tender as twelve (12) weeks and on page eight (08) it was stated as eighteen (18) weeks.

The tender validity is due to expire on **30 June 2026**.

Due to unforeseen circumstances, the evaluation process is taking longer than originally envisaged with the result that we request your confirmation of extending the tender validity of your offer to **30 September 2026**.

Could you please confirm if the prices will remain the same?

Your co-operation is appreciated

Company: _____

Yours faithfully,

Accept new tender validity: Yes or No
