

NATIONAL TREASURY
REPUBLIC OF SOUTH AFRICA

**Request for Information (RFI): Supply and Delivery of Hypodermic Syringes, Needles, and
Bloodletting Devices and Related Items**

RFI Reference Number: RT284

Issue Date: 19 June 2026

Closing date and time: 03 July 2026 @ 11h00

Contact Person for Inquiries: Baningji Masilela/ Keitumetse Mabusela, e-mail address:
Baningji.Masilela@treasury.gov.za / Keitumetse.Mabusela@treasury.gov.za

1. Introduction and Purpose

The National Treasury is issuing this Request for Information (RFI) to gather market data and technical specifications from qualified suppliers for the potential supply and delivery of hypodermic syringes, needles, bloodletting devices, and related items.

This RFI is issued solely for information gathering and market research purposes. It does not constitute a solicitation, tender, request for proposals, or commitment by the National Treasury to procure any goods or services. Participation in this RFI is voluntary and will not confer any advantage or disadvantage in any future procurement process arising from this requirement.

The information gathered will assist the Transversal Contracting unit within the Office of the Chief Procurement Officer (OCPO) in finalizing product specifications and understanding current market availability and pricing.

Request for Information (RFI): Supply and Delivery of Hypodermic Syringes, Needles, and Bloodletting Devices and Related Items

Request for Information (RFI) is advertised on the National Treasury website (www.treasury.gov.za) and on the government eTenders portal (www.etenders.gov.za)

2. Background and Scope

The purpose of this RFI is to obtain information regarding the availability, specifications, regulatory compliance, packaging configurations, supply capacity, and indicative pricing of hypodermic syringes, needles, bloodletting devices, and related medical consumables. The information received will assist the National Treasury in developing fit-for-purpose specifications and determining the most appropriate procurement strategy for future requirements.

The scope of this RFI covers the potential supply and delivery of a range of sterile, single-use medical devices as described in the specification document attached as **annexure A**

3. Supplier Information

Suppliers are required to provide the following information in the specification document:

- a. Full legal company name
- b. Primary contact person, telephone number, and email for the RFI
- c. Company address
- d. Primary business activity (e.g., Manufacturer, Authorized Distributor, Wholesaler)
- e. Years in business supplying similar medical devices

4. Product List and Technical Validation

The list of items and their respective sizes are outlined in the specification document, attached as **annexure A**. Potential Suppliers are requested to verify the accuracy of the specifications (size/gauge/volume), confirm market availability, and indicate whether an equivalent or superior item is available.

Note: In the 'comment on specification' column, indicate whether the listed size is correct for standard medical use or if you suggest improvement, specify the proposed alternative. If an item is not available, provide a reason (e.g., "Discontinued, replaced by safety version").

5. Submission Instructions

- a. Manual or hardcopy submissions are not accepted
- b. Submission must be online through the e-Tender Publication portal
- c. Submissions received after the closing date and time will not be accepted.
- d. Responses must be submitted in PDF and Excel format (where applicable).

**Request for Information (RFI): Supply and Delivery of Hypodermic Syringes, Needles, and
Bloodletting Devices and Related Items**

Kind Regards

**MS ZANELE MKHWANAZI
