MBD 9: CERTIFICATE OF INDEPENDENT BID DETERMINATION

NAMA KHOI MUNICIPALITY

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. The Municipal Bidding Document (MBD) must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging)². Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Chain Regulation 38 (1) prescribes that a Supply Chain Management Policy must provide measures for the combating of abuse of the supply chain management system and must enable the Accounting Officer, among others, to:
 - a) take all reasonable steps to prevent such abuse;
 - b) reject the bid of any bidder if that bidder or any of its directors has abuse the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c) cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the executive of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate Of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and/ or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CRITERION 2(a): DESCRIPTION OF PROJECT DISCIPLINE QUALITY CRITERIA: DESIGN EXPERIENCE

Quality points to be scored for the design experience will be scored as indicated in the breakdown on the scoresheet. It is important to note that the objective of the municipality is to appoint a panel of Professional Service Providers (PSP) and reserves the right to procure the most suitable PSP per category. It is further important to note that a bidder can only obtain a maximum of 15 points per category or 15 points for all the categories. If a bidder only bids for 1 category the bidder achieves the full 15 points. If the bidder bids for more than one category or all the categories the bidder also only achieves the max 15 points provided the min design experience was scored. **During evaluation each specific categories tendered by Bidders will be reduced to a comparative offer in order to get to the preferred bidder/s for that specific category.**
