

Functional Evaluation Criteria: The Supply and Delivery of various Bearings to the Nuclear Operating Unit					
Criteria	Requirements	Deliverables	Scoring Guideline	Weighting	% Rating
Supply of product	Tenderers are required to demonstrate performance in comparable projects of similar size and nature, list of previous similar projects in projects pertaining to the supply of various Bearings.	Three (3) reference letters in company letterheads as proof of previous experience successfully implementing supply of Bearings for any corporation, with contactable references including project information.	<b>Does not Meet:</b> No Information provided, i.e. No Previous Experience submitted or Inadequate information submitted (i.e., submission not relating to supply of Bearings. <b>Partial Meet ( Large gap):</b> One (1) project reference letter submitted of previous experience in the supply of Bearings, with contactable references. <b>Partial Meet ( Small gap) :</b> Two (2) project reference letters submitted of previous experience in the supply of Bearings, with contactable references. . <b>Meet :</b> Three (3) project reference letters submitted of previous experience in the supply of Bearings, with contactable references.	30%	
	Tenderers' product Defects Management Plan	<b>Show evidence of:</b> 1. Communication with manufacturers/distribution outlets for replacing low quality defective items 2. Tenderers' recommendation of better quality products; 3. General enquiries for your support of products between customers, distributors and manufacturers.	<b>Does not Meet:</b> No evidence provided, i.e. No documents submitted. <b>Partial Meet ( Large gap):</b> Only 1 out of the 3 listed documents have been submitted <b>Partial Meet ( Small gap) :</b> Only 2 out of the 3 listed documents have been submitted <b>Meet :</b> All the 3 listed documents have been submitted and are in line with the requirements to a Defects Management Plan.	20%	
	Proof of Company Policy on Warranties and Guarantees of six (6) months (where applicable).	Company Policy on Warranties and Guarantee demonstrating commitment to Eskom's Shelf Life requirements of not supplying goods that will expire within twelve (12) months after delivery (where applicable)	<b>Does not Meet:</b> No Information provided, i.e. Company policy on Warranties, Guarantees and Letter of Commitment to Eskom's Shelf life requirements not submitted. <b>Partial Meet ( Large gap):</b> Standard Warranties & Guarantees up to three (3) months and Letter of commitment to Eskom Shelf life requirement submitted. <b>Partial Meet ( Small gap) :</b> Standard Warranties & Guarantees more than three (3) months but less than six (6) months and Letter of commitment to Eskom Shelf life requirement submitted. <b>Meet :</b> Standard Warranties & Guarantee's of six (6) months or more and Letter of commitment to Eskom Shelf life requirement submitted.	20%	
	Demonstrate ability to comply with Eskom Specifications	<b>Tender must submit all the</b> Technical datasheet/s supplied for the Bearings tendered on:	<b>Does not Meet:</b> No Information provided, i.e. No documents submitted. <b>Meet :</b> All the technica dtasheets have been submitted.	30%	
The scoring of the Functional Evaluation is conducted as follows: A supplier is given a score in each of the sub-categories. These sub-categories are requirements detailed in the specification or contract. Scores are allocated as follows: 0% Does not meet 50% - Partial Meet ( Large gap) 75%- Partial Meet( Small gap) 100%- Meet The overall category scores are analysed as follows: 0% - 69% - Does not meet 70% - 100% - Meet				100%
