Terms of Reference/ Specifications

1. Background

The Moses Kotane Research Institute (MKRI) is an entity of the KwaZulu- Natal Department of Economic and Development, Tourism and Environmental Affairs (EDTEA). Established in terms of Act No 3 of 2024 with the mandate to provide world class research that responds to the needs of the provincial economy.

The Moses Kotane Research Institute (MKRI) utilises the Sage Business Cloud Payroll Professional (SBCPP) system for payroll and leave administration and the Sage Evolution ERP system for financial management, accounting and related business processes.

The institution has experienced ongoing system-related challenges within the SBCPP environment, including instances where employees are unable to apply for annual leave despite sufficient leave balances and incorrect leave accumulation for newly appointed users. These issues indicate underlying configuration and system integrity challenges affecting payroll and leave administration accuracy. Previous technical interventions by consultants resolved minor issues; however, they recommended a full system reset and reconfiguration of the SBCPP environment to permanently address the identified problems. This process was not completed prior to the expiry of their engagement, leaving unresolved risks to data integrity and payroll administration processes.
