3. Definitions

"Bid" means a bidder's response to an institution's invitation to participate in a procurement process, which may include a bid, price quotation or proposal;

"Bid rigging" (or "collusive bidding") occurs when businesses that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and/or services for purchasers who wish to acquire goods and/or services through a bidding process. Bid rigging is, therefore, an agreement between competitors;

"Business interest" means -

- (a) a right or entitlement to share in profits, revenue or assets of an entity;
- (b) a real or personal right in property;
- (c) a right to remuneration or any other private gain or benefit; or
- (d) any interest contemplated in paragraphs (a), (b) or (c) acquired through an intermediary and any potential interest in terms of any of those paragraphs;

"Consortium" or "Joint Venture" means an association of persons combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract;

"CSD" means the Central Supplier Database maintained by National Treasury;

"Employee", in relation to -

- (a) a department, means a person contemplated in Section 8 of the Public Service Act, 1994, but excludes a person appointed in terms of Section 12A of that Act; and

4. Regulation 13(c) of the Public Service Regulations (PSR) 2016, effective 1 February 2017, prohibits any employee from conducting business with an organ of state, or holding a directorship in a public or private company doing business with an organ of state, unless the employee is a director (in an official capacity) of a company listed in schedules 2 and 3 of the Public Finance Management Act.

(a) Therefore, by 31 January 2017, all employees who were conducting business with an organ of state should either have -

- (i) resigned as an employee of the government institution;
- (ii) ceased conducting business with an organ of state; or
- (iii) resigned as a director/shareholder/owner/member of an entity that conducts business with an organ of state.

5. Any legal person or their family members may make an offer/offers in response to this invitation to bid. In view of possible conflict of interest, should the resulting bid, or part thereof, be awarded to family members of persons employed by an organ of state, it is required that the bidder or his/her authorised representative declare his/her position in relation to the evaluating/adjudicating authority where the bidder is employed by the institution.

6. The bid of any bidder may be disregarded if that bidder or any of its directors have abused the institution's supply chain management system; committed fraud or any other improper conduct in relation to such system; or failed to perform on any previous contract.

Section 4(1)(b)(iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a prohibition *pe se*, meaning that it cannot be justified on any grounds.
8. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to –
 - (a) disregard the bid of any bidder if that bidder or any of its directors have abused the institution's supply chain management system and/or committed fraud, or any other improper conduct in relation to such system; or
 - (b) cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
9. Communication between partners in a joint venture or consortium will not be construed as collusive bidding
10. In addition, and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious -
 - (a) will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998; and/or
