

PRICING SCHEDULE

Pricing schedule: pricing schedule is compulsory and failure to complete same in prescribed manner and without alterations will result in disqualification of bid price proposal during the financial evaluation process

Prices should be based on the One hour rate for all team members for the purposes of comparisons.

Fees must be determined according to the guidelines for fees issued from time to time by the South African Institute of Chartered Accountants (SAICA) for work performed on behalf of the auditor general or fees as approved by national treasury

Staff levels are for illustrative purposes only, bidders having different staffing naming convention must indicate such in column provided

Unconditional discounts offered will be taken into considerations in the bid adjudication process, discounts offered subject to specific conditions will not be taken into considerations unless it applies to settling of invoices

For the purposes of comparative evaluating of bids please indicate the percentage escalation in your proposed rates for the level of staff proposed for the operational year 3 (2027/2028/2029)

The basis for reimbursing disbursement and expenses incurred will be according to prevalent government practices and National Treasury practice note on cost containment
