## **TERMS OF REFERENCE**

### **APPOINTMENT OF A PANEL OF PROBITY AUDITORS AND ADVISORS**

#### **1. INTRODUCTION**

The Construction Education and Training Authority (CETA) is a Schedule 3A Public Entity established in terms of the Skills Development Act, No.97 of 1998. The CETA's mandate is to promote and ensure quality education and training in the construction sector.

#### **2. PURPOSE OF THIS BID**

The CETA seeks to appoint credible probity audit and advisory service providers to assist the probity audit services to provide an independent compliance review, advisory and assurance on the CETA SCM and procurement processes.

Probity is often considered as the "integrity and uprightness" of a process. The value add of the probity report is that it promotes accountability by reporting conformity, deviations, issues of recommended improvement and any matter to be brought to the attention to the prescribing authorities for that tender award to be made. The prescribing authority in this context is the Board or the Accounting Authority or the delegated official of CETA. Probity also promotes good governance by assessing propriety where there are insufficient or inadequate laws and regulations or predetermined criterion to allow the process to retain its integrity throughout to the final stage.

This tender seeks to obtain bid responses for both probity audit and advisory service to the CETA tender processes above the SCM policy prescribed threshold. The key difference between a probity advisory and a probity audit is that an engagement for provision of probity advice does not provide a verification role and is not intended to provide an opinion as to whether the probity requirements have been met as is in the case of a probity audit.

The review is to be conducted in accordance with the International Standards on Related Services 4400 applicable to agreed-upon procedures engagements and guidelines to ensure that the procurement process followed by the CETA are equitable, conducted with integrity and that due process was followed and to ensure that the procurement process is conducted

## *“Road To Renewal”*
