1. INTRODUCTION

- 1.1 This Request for Proposals ("RFP") is issued by South African National Parks ("SANParks") in accordance with the guidelines for Public Private Partnerships ("PPPs") contained in National Treasury's Tourism PPP Toolkit, and in compliance with Treasury Regulation 16, as amended, issued in terms of the Public Finance Management Act 01 of 1999.
- 1.2 SANParks, as part of its Strategic Plan for Commercialisation, identified the tourism PPP opportunity at the Concession Area in the Kruger National Park ("KNP") that gives a selected private party the rights to the commercial use for 25 (twenty-five) years through a PPP agreement ("PPP Agreement").
- 1.3 It is intended that by SANParks entering into the PPPs with a Private Party, SANParks will generate revenue through PPP fees paid to SANParks by the Private Party, while enabling SANParks to focus on its core activity of conservation. It is intended that the Private Party will develop (upgrade and refurbish), operate and finance the Concession Area with strict compliance with SANParks environmental standards, Protected Areas conservation guidelines, existing environmental authorisations, permits and operating licences.

2. VALUE-FOR-MONEY OBJECTIVES

- 2.1 The value-for-money objectives for the project are aligned with SANParks' strategic objectives included in the Strategic Plan for Commercialisation. Setting these objectives at the inception phase are vital as they provide the benchmarks for the feasibility and procurement phases. During the management of the PPP agreement, they are used to measure the success of the project.
- 2.2 The Value-for-Money Objectives for the Concession Area are:
 - 2.2.1 Revenue generation for SANParks by way of concession fee optimisation and increase in entry and conservation fees;
 - 2.2.2 B-BBEE, job creation, development of communities within a 100km radius of the KNP (Local Communities) and the communities with which the government of the Republic of South Africa has entered into settlement agreements in respect of land claims instituted by such communities (Dispossessed Land Owner Communities);
 - 2.2.3 Tourism promotion with particular focus on diversification of products and markets and penetrating markets not reached by SANParks facilities in the KNP;

- 2.2.4 Optimal utilisation of prime assets - Standard of facilities and infrastructure to be maintained and improved where required (within existing footprint);
- 2.2.5 Biodiversity protection and conservation;
- 2.2.6 Cultural and Heritage Resources Conservation.

3. SANPARKS BENEFICIATION SCHEME AND COMMERCIALISATION STRATEGY OBJECTIVES

- 3.1 SANParks, as part of its mandate to drive sustainable B-BBEE and socio-economic transformation in the Tourism Sector, provide and accelerate opportunities to broaden the network of those benefiting from commercial activities/opportunities in the national Parks and to promote a synergistic existence of commercial activities with Local Communities including Dispossessed Land Owner Communities, has identified Specific Goals for the Project which have been articulated in Annexure 3 (B-BBEE Obligations) below.

 - 3.2.1 In keeping with SANParks' obligations and objectives articulated in its Beneficiation Scheme (as defined in paragraph 3.2.3 below) and Commercialisation Strategy policies, preferential procurement policies and legislation and B-BBEE laws, particular attention will be paid to Bidders' B-BBEE proposals in response to the B-BBEE Obligations in respect the identified Specific Goals, particularly Bidders' commitments to meet and exceed compliance targets in the B-BBEE Project Scorecard targeting socio economic transformation for Local Communities and/or Dispossessed Land Owner Communities.
 - 3.2.2 Furthermore, the government of the Republic of South Africa and the Dispossessed Land Owner Communities have entered into settlement agreements in respect of land previously owned by the Dispossessed Communities in KNP in terms of section 42(D) of the Restitution of Land Rights Act, 1994. Pursuant to the settlement agreements the parties agreed that restitution shall take the form of equitable redress to ensure that the continuation of conservation, protection and management of KNP is not adversely impacted by the approval of land claims. In consequence thereof, the settlement comprises two phases, namely, phase one which entails payment of financial compensation for loss of improvements that were on the claimed land at the time of dispossession and phase two which entails the development of a beneficiation scheme by SANParks to ensure that the Dispossessed Land Owner

Communities benefit from commercial, job and other economic opportunities deriving from KNP (“**the Beneficiation Scheme**”).

- 3.2.3 The relevant principal terms of the Beneficiation Scheme are the following -
- 3.2.3.1 Tender Participation: The Dispossessed Land Owner Communities can fairly and equitably participate in SANParks open tender opportunities for concessions KNP, either alone or with partners;
 - 3.2.3.2 Partnership Terms: If the Dispossessed Land Owner Communities collaborate with a third party (e.g. joint venture, consortium, partnership), the parties shall negotiate and agree the commercial terms of the relationship between them;

15. INCOMPLETE BIDS

- 15.1 The Bid Evaluation Committee, in consultation with its financial and legal advisors, will check Envelope 1 of each Bid to see whether all the documentation that this RFP requires has been submitted correctly.

15.2 SANParks may, but is not obliged to, disqualify a Bid that is not complete or requires clarification without a request for further information.

15.3 SANParks shall not be obliged to reimburse Bidders for any costs and/or damage they incurred during the preparation of Bid Submissions, in the event of cancellation, disqualification, suspension, modification or delay of the Tender.

16. **BID EVALUATION METHODOLOGY**

16.1 SANParks has, in accordance with the National Treasury's Practice Note 6 of 2004, established two tiers of evaluation committees made up of the Bid Evaluation Committee and the Bid Adjudication Committee. In addition, the approach for evaluation of this RFP takes into account the [PPPF Act] and Preferential Procurement Regulations, 2022.

16.2 The Bid Evaluation will be through a two (2) envelope system and Bids will be evaluated on three main elements: Functionality and Compliance, PPP Fee Offer and B-BBEE proposal.

16.3 Envelope 1 (original) is for the functionality/technical and compliance elements and is opened first. Bidders will be evaluated for functionality once they have passed the assessment for responsiveness to the mandatory and other administrative requirements. Thereafter Bids will be evaluated for functionality and must score at least 80% for functionality.

16.4 Envelope 2 is for the PPP Fee Offer (Pricing) and B-BBEE proposal and will only be opened and evaluated if the minimum functionality threshold in Paragraph 16.3 is met.

16.5 The Bid Evaluation Process will be undertaken in stages set out herein below.

16.5.1 **Bid Responsiveness to the Mandatory Requirement**

16.5.1.1 During the first stage of evaluation SANParks will assess the Bid responses for responsiveness to the mandatory and other administrative requirements. This will entail consideration whether all the required documentation has been submitted by a Bidder in the manner and form prescribed in this RFP.

16.5.1.2 Failure by a Bidder to respond adequately to any of the requirements of this RFP shall have an adverse impact on the evaluation of its Bid and shall entitle SANParks, in its sole discretion, to disregard that Bidder's Bid and to disqualify that Bidder from participating in the Project.

16.5.1.3 SANParks reserves the right to reject any Bid which is non-responsive and no request for alteration, modification, substitution or withdrawal shall be entertained by the Institution in respect of such Bid.

16.5.2 **Functionality Evaluation**

16.5.2.1 The minimum overall threshold to pass Functional Requirements is 80%. The minimum threshold to pass any Functional Criteria sub-category (i.e. Financial and Capital Plan, Business and Operational Plan, Environmental Plan and Risk Matrix) is 50%.

16.5.2.2 If a Bid does not meet the threshold, it will be marked unacceptable and not proceed to the next stage of evaluation if there are other acceptable Bids.

16.5.3 **PPP Fee Offer and B-BBEE Proposal:**

16.5.3.1 The evaluation at this stage shall be based on the 90/10 Preference Points System in terms of the provisions of the Preferential Procurement Policy Framework Act, 2000 (“**PPPFA**”) and PPPFA Regulations, 2022, wherein 90 points is for Bid Price (PPP Fee Offer) and 10 points for B-BBEE in accordance with identified Specific Goals, being a Consolidated B-BBEE Certificate and B-BBEE Project Scorecard set out in Annexure 3 - B-BBEE (*B-BBEE Obligations*).

17. BID EVALUATION CRITERIA SCORING

17.1 Functional Evaluation and Scoring Process

17.1.1 The functionality aspects of a Bid will be scored out of 100 points. A Bidder must achieve 80% of the total functionality points in order to pass. - the Variable PPP Fee (a flat percentage of gross revenue earned by the private party in each project year).

17.2.1.2 Please note: SANParks will not consider a minimum fixed rental PPP fee of less than R210 000 per month in the first full year of operations and R290 000 per month in the second full year of operations. The Private Party should take this into consideration in developing its PPP fee offer.

17.2.1.3 Each PPP Fee Offer will be inspected by SANParks' financial and legal advisors to verify that it has been submitted in the form corresponding to the requirements set out in Annexure 4 – PPP Fee Offer. A PPP Fee Offer that does not conform to the requirements of Annexure 4 – PPP Fee Offer may result in disqualification of the Bid.

17.2.1.4 The points for the PPP Fee Offer are calculated using the prescribed price formula in the regulations to the PPPFA, 2022. The maximum points will be awarded to the qualified Bidder which makes the highest PPP Fee Offer and the remaining points being allocated pro rata to the remaining qualified Bidders.

17.2.1.5 SANParks reserves the right not to award the Bid in the unlikely event that only one Bid is received and the PPP Fee Offer does not meet SANParks' minimum requirements.
