1. Background to Iziko

Iziko Museums of South Africa is a Schedule 3A public entity and non-profit organisation, partly subsidised by the National Department of Sport, Arts and Culture. Iziko brings together national museums and a Social History Centre situated in the Western Cape under a single governance and leadership structure.

Iziko operates within a public finance environment and must ensure that procurement and expenditure deliver value for money, support the institution’s mandate, and comply with applicable legislation, policies and internal controls. In the context of fiscal pressure, constrained resources and heightened governance expectations, Iziko requires a focused procurement analytics and value-for-money review to identify wastage, suspicious procurement patterns and opportunities for improvement.

2. REQUEST FOR QUOTATION FOR:

IZIFEST is a month-long programme that celebrates South Africa’s rich cultural heritage through music, art, fashion, food, and storytelling. It brings together creative experiences, performances, and community activities that highlight both tradition and contemporary culture.

The appointed service provider will be responsible for the full creative development, design, and production of IZIFEST marketing materials in line with Iziko branding and campaign identity.
