DESCRIPTION OF PROCUREMENT / DISPOSAL: Provision of event planning at Kriel Power Station on an “as and when” required basis for the period of five years.	Required	Not Required
Environmental Policy The contractor must submit an Environmental Policy and proof of communicating it with the employees (project team). The policy should demonstrate your organization (top management)’s commitment to protection of the environment which is not only intended to prevent adverse environmental impacts through prevention of pollution, but to protect the natural environment from harm and degradation arising from the organisation’s activities, products and services. The policy must also demonstrate commitment to compliance with legal and other requirements, prevent pollution and continually improve environmental performance.	Required	
Environmental Aspects and Impacts Register The contractor shall determine the aspects related to the scope of work. Aspect is an element of organization’s activity, products or services which may interact with the environment and may cause negative or positive impact. While impact – refers to any change on the environment whether adverse or beneficiary. Changes to the environment, either adverse or beneficial, that result wholly or partially from environmental aspects are called environmental impacts. The environmental impact can occur at local, regional and global scales, and also can be direct, indirect or cumulative by nature. The relationship between environmental aspects and environmental impacts is one of cause and effect.	Required
