Tender Notice: Removal of Incorrectly Published Document and Extension of Tender Closing Date

Tenderers are hereby advised that the technical document **EPC: FUNCTIONAL SPECIFICATION FOR A SOLAR PHOTOVOLTAIC AND BATTERY ENERGY STORAGE: ESKOM GAUTENG CLUSTER, CUSTOMER NETWORK CENTERS** was inadvertently published as part of the tender documentation. Upon review, it was determined that the document is not applicable to this tender and has therefore been removed from the tender documents.

Tenderers are requested to disregard the removed document in its entirety when preparing their submissions.

To ensure fairness, transparency, and equal treatment of all tenderers, the tender closing date has been extended by one (1) week. The extension will provide tenderers with adequate time to review their submissions and make any necessary adjustments should they have relied on or referenced the removed document during the preparation of their tender responses.

All other tender requirements and conditions remain unchanged.

Eskom regrets any inconvenience caused and appreciates your understanding and cooperation.

A reminder that the communication platform is the Eskom e-tender portal and that of National Treasury and the responsibility of the tenderer to visit regularly for possible updates. Any revised documents after site meeting, clarification information and minutes will be uploaded as such. Information as per the latest communication will apply.
