DESCRIPTION: The Provision of Maintenance Quality Control Service for a period of 5 years at Kusile Power Station

TENDER: E3171GXMPKUS

THIS NOTICE SERVES TO INFORM PROSPECTIVE TENDERERS OF IMPORTANT CHANGES AND AMENDMENTS:

- **The BOQ and NEC document** - The Bill of Quantities (BOQ) and NEC pricing schedule have been amended, specifically with regard to the standby item. Prospective bidders/tenderers are advised that responses must now be submitted in days rather than hours. Bidders are therefore requested to complete and submit their pricing using the revised price list contained in the amended NEC document, which has been uploaded for this purpose.
- **SDL&I Requirements** – The SDL&I Report has been uploaded and is available for review. Prospective bidders/tenderers are requested to familiarize themselves with and comply with the requirements outlined in the report when preparing and submitting their bids
- **Environmental Requirements** - The environmental Report has been uploaded and is available for review. Prospective bidders/tenderers are requested to familiarize themselves with and comply with the requirements outlined in the report when preparing and submitting their bids

Yours sincerely,

Kgopotso Masilela
