

Draught Plant Policies Procedures and Standards

Itm	Document ref. no	Title	Superceded By
1	32-632	Boiler Fan Inspection Policy	240-89218242
2	36-972	Management & Reporting of Strategic Spares	240-61379840
3	36-1095	Vibration-Based Condition Monitoring Of Rotating Plant Auxiliary Equipment	
4	36-1274	Standard for Fossil Fired Boiler Draught Plant Protection Functions, Requirements and Control Measures	240-89217730
5	GGP 0322 / NWP 5277	Preparation for Inspection of Eskom Power Station Fans	
6	GGSS 0526	Standard specification for the re-metalling (re-lining) of white metal bearings	
7	240-53114002	Engineering Change Management Procedure	
8	240-53459108	Process Control Manual (PCM) for Perform Coal Power Plant Boiler Engineering	
9	240-56241639	Construction and Repair Welding of Primary Air, Induced and Forced Draught Fans Standard	240-106628253
10	240-56241933	Control of Welding during Construction, Repair and Maintenance Activities Standard	
11	240-56246601	Qualification, Certification and Accreditation Requirements for Personnel and Entities Performing Welding Related Work on Eskom Plant Standard	
12	240-57127944	Preservation of Power Plants During Shutdowns Guideline	
13	240-61379840	Management and Reporting of Strategic Spares Manual	
14	240-75850159	Definition of Requirements for Tools and Software for Handheld Condition Monitoring Standard	
15	240-75850289	Manual for Handheld Condition Monitoring	
16	240-83539806	Manual Ultrasonic Wall Thickness Testing On Eskom Power Plants Standard	
17	240-87694581	Performance Testing Of Air Heaters	
18	240-87694663	Fan Storage Standard	
19	240-89217730	Standard for Draught Plant Minimum Protections	
20	240-89218242	Boiler centrifugal fans inspection standard	
21	240-89218264	ID Fan at maximum capacity standard	
22	240-100914307	Regenerative Air heater element pack and preservation storage standard	
23	240-105658000	Supplier Quality Management Specification	
24	240-106628253	Standard For Welding Requirements On Eskom Plant	
25	240-109607332	Eskom Plant Labelling Abbreviation Standard	
26	240-119862281	Air Heater Leakage Guideline	
27	240-119862303	Air Heater Fouling Prevention Guideline	
28	240-121468227	Draught Group Balancing and Vibration Protection Levels Standard	
29	240-131963944	Draught Group Preservation Standard	
30	20180521	Instruction note 1 of 2018 on cataloguing	
31	474-12326	Specifications for Centrifugal Fan Maintenance Execution	
32	474-12327	Specifications for Variable Pitch Axial Fan Maintenance Execution
