

28 July 2026

ERRATUM

RFP No. 3737/28/07/2026 – Manufacturing and Supply of MR048 Equipment Spares at CSIR Stellenbosch Campus

On Tuesday, 14 July 2026, the Council for Scientific and Industrial Research (CSIR) invited suitably qualified and experienced service providers to submit tenders for the above-mentioned Request for Proposal (RFP). The closing date has been extended in response to requests from prospective bidders for additional time to prepare and submit comprehensive proposals.

Kindly note the following amendment to the advertised tender documents:

- **The current closing date is 28 July 2026 at 16H30.**
- **The revised closing date for submission of tenders is 11 August 2026 at 16H30.**

The CSIR appreciates your interest in this RFP and encourages you to submit a response. We apologise for any inconvenience that this amendment may have caused.
